(Suspense Account) These are errors which cause the debit total of the Trial Balance to be a different amount to the credit total. Journal entries are then made to correct the following types of errors: 1. Overcasting and undercasting errors – adding up Day Books incorrectly and balancing off ledger accounts incorrectly.

### Errors which do affect the Trial Balance (Suspense Account)

Errors that affect one account will affect the agreement of the Trail balance. If the errors cannot be located immediately and rectified, then the difference in trial balance is kept in a separate account called 'suspense account'. Suspense account is a temporary and imaginary account, which is closed later when the errors are located. The artificial tallying of the trial balance by the introduction of suspense account enables the Final Accounts to be prepared even before the location of ...
