Sweet land of liberty, Of thee I sing, Land where my fathers died, Land of the pilgrims' pride, From ev'ry mountainside Let freedom ring! My native country, thee, Land of the noble free, Thy name I love; I love thy rocks and rills, Thy woods and templed hills; My heart with rapture thrills, Like that above. Let music swell the breeze, And ring from all the trees

Sweet Land of Liberty?: The African-American Struggle for Civil Rights in the Twentieth Century (Studies In Modern History) eBook: Cook, Robert: Amazon.co.uk: Kindle Store

Sweet Land of Liberty is Thomas J. Sugrue ' s epic account of the abiding quest for racial equality in states from Illinois to New York, and of how the intense northern struggle differed from and was inspired by the fight down South. Sugrue ' s panoramic view sweeps from the 1920s to the present – more than eighty of the most decisive years in American history. He uncovers the forgotten stories of battles to open up lunch counters, beaches, and movie theaters in the North; the untold history of struggles against Jim Crow schools in northern towns; the dramatic story of racial conflict in northern cities and suburbs; and the long and tangled histories of integration and black power. Filled with unforgettable characters and riveting incidents, and making use of information and accounts both public and private, such as the writings of obscure African American journalists and the records of civil rights and black power groups, Sweet Land of Liberty creates an indelible history.

A powerful and moving account of the campaign for civil rights in modern America. Robert Cook is concerned less with charismatic leaders like Martin Luther King, and more with the ordinary men and women who were mobilised by the grass-roots activities of civil-rights workers and community leaders. He begins with the development of segregation in the late nineteenth century, but his main focus is on the continuing struggle this century. It is a dramatic story of many achievements - even if in many respects it is also a record of unfinished business.
