producers and consumers at a key period in the development of the ready-made clothing industry. It also shows that many innovations in advertising clothing, usually considered to have been developed in America, had earlier British precedents. To counter the lack of

# Access Free Basic Edition Boys Shorts

documentary evidence that has hitherto hampered research into the dress practices of non-elite groups, this book utilises thousands of unpublished visual documents. These include hundreds of manufacturers' designs, which underline an unexpected degree of investment by
