Ideal for a Key Stage 1 Knights and Castles themed lesson. Why was a Motte and Bailey built? Motte and baileys were built to secure settlements within its walls after the Normans victory of the Battle of Hastings in 1066. Motte means 'mound of earth', this is typically where a castle was built and a Lord and his family would stay.

K9i Motte and Bailey PowerPoint (teacher made)

Where to build your castle? Mini project - Lesson (3/3)

The Battle for Castle Itter centered around a small fortress located on the heights surrounding the Austrian hamlet of Itter. For most of the war, the castle had operated as a prison facility under the Gestapo for a number of high-profile POWs. Some of the men held at Castle Itter included former French prime ministers \u00c9douard Daladier and Paul Reynaud, Commander-in-chief of the French Army Maxime Weyand, French tennis star Jean Borotra, and Charles de Gaulle's older sister Marie-Agn\u00e8s ...

The Medieval Castle Mini-Lesson - TeacherVision

What was the Battle of Hastings? The Battle of Hastings was the battle for the English throne between the Norman invaders, led by William of Normandy (also known as William the Conqueror), and the Anglo-Saxon King of England, Harold Godwinson. When was the Battle of Hastings? The Battle of Hastings was fought on the 14 th of October 1066. The exact location is still disputed, but it was understood to have taken place about seven miles from Hastings, in a town now renamed as Battle.

In this sequel to The Castle in the Attic, twelve-year-old William uses a magic token to return, through the toy castle in his attic, to the medieval land of Sir Simon, which is now menaced by a skeleton ship bearing a plague of evil.

Ten-year-old William receives a wooden model of a medieval castle as a gift. It has everything he could possibly want, right down to a miniature drawbridge, a portcullis and a silver knight. In this enthralling story that weaves the everyday problems of growing up with magic and fantasy, the castle introduces William to an adventure involving magic, a ferocious dragon, a wicked wizard, and his own personal quest, where courage will finally triumph over fear.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

After World War I, diplomats and leaders at the Paris Peace Talks redrew the map of Europe, carving up ancient empires and transforming Europe's eastern half into new nation-states. Drawing heavily on the past, the leaders of these young countries crafted national mythologies and deployed them at home and abroad. Domestically, myths were a tool for legitimating the new state with fractious electorates. In Great Power capitals, they were used to curry favor and to compete with the mythologies and propaganda of other insecure postwar states. The new postwar state of Czechoslovakia forged a reputation as Europe's democratic outpost in the East, an island of enlightened tolerance amid an increasingly fascist Central and Eastern Europe. In Battle for the Castle, Andrea Orzoff traces the myth of Czechoslovakia as an ideal democracy. The architects of the myth were two academics who had fled Austria-Hungary in the Great War's early years. Tom\u00e1\u0161 Garrigue Masaryk, who became Czechoslovakia's first president, and \u00c9dvard Benes, its longtime foreign minister and later president, propagated the idea of the Czechs as a tolerant, prosperous, and cosmopolitan people, devoted to European ideals, and Czechoslovakia as a Western ally capable of containing both German aggression and Bolshevik radicalism. Deeply distrustful of Czech political parties and Parliamentary leaders, Benes and Masaryk created an informal political organization known as the Brad or "Castle." This powerful coalition of intellectuals, journalists, businessmen, religious leaders, and Great War veterans struggled with Parliamentary leaders to set the country's political agenda and advance the myth. Abroad, the Castle wielded the national myth to claim the attention and defense of the West against its increasingly hungry neighbors. When Hitler occupied the country, the mythic Czechoslovakia gained power as its leaders went into wartime exile. Once Czechoslovakia regained its independence after 1945, the Castle myth reappeared. After the Communist coup of 1948, many Castle politicians went into exile in America, where they wrote the Castle myth of an idealized Czechoslovakia into academic and political discourse. Battle for the Castle demonstrates how this founding myth became enshrined in Czechoslovak and European history. It powerfully articulates the centrality of propaganda and the mass media to interwar European cultural diplomacy and politics, and the tense, combative atmosphere of European international relations from the beginning of the First World War well past the end of the Second.

A gift of a toy castle, complete with silver knight, introduces William to an adventure involving magic and a personal quest.

SOON TO BE A MAJOR MOTION PICTURE The incredible story of the unlikely battle of World War II, when a small group of American soldiers joined forces with German soldiers to fight off fanatical SS troops May, 1945. Hitler is dead, the Third Reich is little more than smoking rubble, and no GI wants to be the last man killed in action against the Nazis. The Last Battle tells the nearly unbelievable story of the unlikely battle of the war, when a small group of American tankers, led by Captain Lee, joined forces with German soldiers to fight off fanatical SS troops seeking to capture Castle Itter and execute the stronghold's VIP prisoners. It is a tale of unlikely allies, startling bravery, jittery suspense, and desperate combat between implacable enemies.

M.J. Gwynn faced a lethal diagnosis of an advanced stage cancer. An initial serious surgical procedure was completed and the ensuing combination cancer treatments were abruptly interrupted by a significant and life-threatening series of medical complications. These included: pneumonia, thrombosis (Blood Clot), numerous interventional-radiology procedures, punctured esophagus, anemia (low red blood cell counts), and a collapsed lung. "My Battle For Life" includes personal, West Point, and Military lessons, tactics, and experiences from a Cancer Survivor, West Point graduate, and Army officer whose goal is to help you or your loved one in a Battle for Life challenge involving Cancer, illness, injury, or other life threatening situation. **Get Kindle Edition of "My Battle For Life" at: http://www.amazon.com/gp/product/B00N95WLGK?reader_B00N95WLGK You should read this book if you are personally involved in a personal "Battle for Life" to gain some general guidance from the voice of experience on how to get through the difficult period. This book is also applicable for those who may be spouses, family members, friends, or other loved ones going supporting someone in their difficult period. M.J. relied on his life, West Point, and Military lessons and experiences to survive this lengthy and challenging battle for life. The "My Battle For Life" book shares this story and will provide you with insights learned during the complicated recovery of the author's Battle for Life as well as some lessons that were learned as a West Point Cadet and Army Officer.
