Canadian human resource management A strategic approach This edition published in January 1, 1998 by McGraw-Hill Ryerson, Ltd.

**Canadian human resource management (January 1, 1998** ---  
Human resource management (HRM) is defined as the process of managing people in organisations. HRM includes hiring people, retention of people, pay and perks setting, as well as management and performance management.This is the reason why HR managers in some multinational companies are called People Managers or People Enablers and the process is called people management.
