In comics, a trade paperback (shortened: TPB or trade) is a collection of stories originally published in comic books, reprinted in book format, usually presenting either a complete miniseries, a story arc from a single title, or a series of stories with an arc or common theme. A trade paperback may reproduce the stories either at the same size in which they were originally presented (in comic book format), in a smaller "digest-sized" format, or a larger-than-original hardcover.

It was essentially the VERY first comic book storyline that Marvel Comics ever collected into a trade paperback. However, you might notice that it actually had a number on the top of the book (along with its amazing Bill Sienkiewicz cover)... Well, longtime reader Phillip tweeted to me, "How long did the numbering o the early trades go on for?

"Trade paperbacks" are distributed to the book trade - bookstores and comic shops. It's a separate system. (The book trade distribution system also handles mass-market paperbacks, but the mass market system does not handle trade books.) Trade paperbacks can be any size or shape, and are usually larger than mass-market titles.
