The 9 Lives Cozy Mystery Series—as well as the single title mystery, A Recipe For Trouble, are all set in her hometown of Vancouver, British Columbia.

hopes wither and die when her biggest competitor is found dead and she's accused of murder. Teaming up with her blunt-speaking elderly friend, and a dreamy cop, Quincy desperately digs for clues to prove she didn't do it. The Final Arrangement is the first book in the charming Flower Shop cozy mystery series. If you like quirky characters, bizarre cases, and a light sprinkling of romance, then you'll love Annie Adams' freshly picked tale. Deadly Arrangements Wedding bells are ringing and the groom has gone missing in small town Hillside. Florist Quincy McKay was all set for wedding season, until the groom from one wedding disappeared and the groom from another became the prime suspect. Hard for a florist to make a living on weddings without the grooms, and even harder for her to stay out of the investigation, when the suspected culprit is the fiancé of her truth-telling older friend and sidekick, K.C. All Quincy wants is success in business, a happy family and the perfect romance with Alex Cooper, the hottest cop in the state. Not necessarily in that order, of course. The trouble is, between Alex's job and everyone else's weddings, it's getting harder and harder for Quincy and Alex to find any time to themselves. Every time the flames of passion ignite between them, someone or something shows up to fizzle the fire, including her meddling mother, her formerly absent father and even Elma, the handsiest waitress in the West. Just when Quincy thinks nothing else could go wrong, a ghost from Alex's past comes back to haunt them both, which could keep them apart forever if someone doesn't kill Quincy first. She stumbles into the clues to solve the case of the missing groom and finds a corpse as well, with the real culprit right on her sensible but stylishly clad heels, proving that planning a wedding can literally be murder. Arrangements is the second book in the charming Flower Shop cozy mystery series. If you like quirky characters, bizarre cases, and a little romance, too, then you'll love Annie Adams' funny, feisty mystery. A Christmas Arrangement It's Christmastime in Hillside, but holiday spirit is in short supply for busy flower shop owner Quincy McKay. She's in charge of the town festival and her shop's open house, but her Santa's a no-show and her flower cooler is on the fritz. To make matters worse, she's learned her ex-husband isn't as ex as she'd thought. Just when she thought things couldn't get any worse, her boyfriend, hot cop Alex Cooper announces his parents are coming to town. Alex is the perfect man in Quincy's book, unfortunately his mother thinks he's perfect too. And no woman is perfect enough for her perfect son, especially not the weird flower shop girl who works too much, can't cook and who she catches kissing another man in the department store. And what's this she heard about Quincy being married? Eleanor Cooper must help her son dodge a bullet (and not the kind from his job) during the romantic holiday season to prevent him from being ensnared in a regrettable relationship. Quincy's dignity (of which lately she's in short supply), her reputation, and every business in town are riding upon the success of the city's Christmas celebration. If she can figure out a way to make it work despite failing equipment, helpers as flaky as the falling snow, and a troubling and inappropriate Secret Santa, she might win the respect of everyone in the town, but more importantly, Alex's parents. If Alex can survive his loving but meddling mother until Christmas, and keep Quincy safe from her crazy ex-husband, with a little help from the MLM (Mormon Ladies Mafia), and K.C. the she-Santa, he'll arrange for the perfect holiday for himself and the woman who has captured his heart Buy The Arrangements to weed out a small-town murderer today!
