New edition of best-selling Asian title presents the poems of a renowned Zen master.

An eccentric classic of Zen poetry When Zen master Ikkyū Sojun (1394-1481) was appointed headmaster of the great temple at Kyoto, he lasted nine days before denouncing the rampant hypocrisy he saw among the monks there. He in turn invited them to look for him in the sake parlors of the Pleasure Quarters. A Zen monk-poet-calligrapher-musician, he dared to write about the joys of erotic love, along with more traditional Zen themes. He was an eccentric and genius who dared to defy authority and despised corruption. Although he lived during times

plagued by war, famine, rioting, and religious upheaval, his writing and music prevailed, influencing Japanese culture to this day. "Ikkyu scandalized the Zen community of his day and is likely to scandalize some readers even now—his short poems are simultaneously bawdy, abrupt, vulgar, and reverential... It is impossible not to love the velocity and variety of his verse."—The Philadelphia Inquirer "Stephen Berg is exactly the right poet to have translated these poems."—Hayden Carruth, The Hudson Review "A deeply sensual man, Ikkyu had little patience for the fussiness of monastic life and ritual... From the editors of Zen Poems of China and Japan comes the largest and most comprehensive collection of its kind to appear in English. This collaboration between a Japanese scholar and an American poet has rendered translations both precise and sublime, and their selections, which span fifteen hundred years—from the early T'ang dynasty to the present day—include many poems that have never before been translated into English. Stryk and Ikemoto offer us Zen poetry in all its diversity: Chinese poems of enlightenment and death, poems of the Japanese masters, many haiku—the quintessential Zen art—and an impressive selection of poems by Shinkichi Takahashi, Japan's greatest contemporary Zen poet. With Zen Poetry, Lucien Stryk and Takashi Ikemoto have graced us with a compellingly beautiful collection, which in their translations is pure literary pleasure, illuminating the world vision to which these poems give permanent expression.

This melancholy menagerie pairs the more unsavory facts of animal life with their hilarious thoughts and reactions. Sneakily informative, and wildly witty, SAD ANIMAL FACTS will have you crying with laughter.

In this vivid, contemporary translation, Victor Mair captures the quintessential life and spirit of Chuang Tzu while remaining faithful to the original text.

An insightful collection of teachings about death and dying to help face life's greatest mystery calmly and with equanimity. Lifetimes of effort go into organizing, designing, and structuring every aspect of our lives, but how many people are willing to contemplate the inevitability of death? Although dying is an essential part of life, it is an uncomfortable topic that most people avoid. With no idea what will happen when we die and a strong desire to sidestep the conversation, we make all kinds of assumptions. Living Is Dying collects teachings about death and the bardos that have been passed down through a long lineage of brilliant Buddhist masters, each of whom went to great lengths to examine the process in minute detail. Renowned author and teacher Dzongsar Jamyang Khyentse responds to the most common
