Bianca Sommerland is dark, twisted and like a train wreck I couldn't turn away. I wouldn't have gotten past the first chapter if I hadn't read other work by this author. I had to trust she would make all the suffering worthwhile. This story took me places I didn't want to go but I had to see it through.

Kudos Bianca I loved  
Deadly Captive and hope  
that book two is going to  
be available, with the  
same narrator, because I  
will jump on purchasing  
it as soon as it is.

Listening to this dark  
story by this narrator is  
equivalent to watching a  
3D movie vs a regular  
movie because you are  
transported right into the  
action.
