'Eve: Templar One' is an amazing book, it continues the story of 'Eve: The Emphyrean Age' and it abounds with nice science fiction concepts, enthralling characters and lots of suspense. Some of its events are synonymous with events in the real world, embellished with some of the best idioms and aphorisms ever. It is also syntactically and semantically perfect. Some say it is for a genre ...

Templar One continues the story started in Empyrean Age. Eve Online players and military sic-fi aficionados will likely enjoy this book; others may find it difficult to follow. The short chapters lend themselves to reading in the pauses of one's day but I found the story interesting enjoy to read the book in a few sessions.

EVE: Templar One is a labor of love that began in 2009. For now, it is my last contribution to EVE ' s fiction as I was amongst the casualties of the recent difficult times CCP endured. I hope you enjoy reading it as much as I enjoyed creating it. My publishers and dev colleagues are excited for it, and I hope you are too.

A lot of this, I feel, is the fact that Templar One was clearly written as a companion for CCP Game's failed FPS game, Dust 514. Many of the concepts introduced or explored in this novel are clearly designed to reinforce the gameplay features found in that game. Overall in the end it was not a terrible book, but I vastly preferred Empyrean Age.

As power-hungry starship captains keep the people of New Eden locked in perpetual battle, a secret program in a prison camp just may lead to a lasting peace.

The first novel based on the wildly popular role playing game EVE Online, EVE: The Empyrean Age brings this compelling science fiction environment to life. A clone with no name or past awakens to a cruel existence, hunted mercilessly for crimes he may never know; yet he stands close to the pinnacle of power in New Eden. A disgraced ambassador is confronted by a mysterious woman who knows everything about him, and of the sinister plot against his government; his actions will one day unleash the vengeful wrath of an entire civilization. And among the downtrodden masses of a corporation-owned world, a man named Tibus Heth is about to launch a revolution that will change the course of history. The confluence of these dark events will lead humanity towards a tragic destiny. The transcendence of man to the dream of immortality has bred a quest for power like none before it; empires spanning across thousands of stars will clash in the depths of space and on the worlds within. Those who stand before the tides of war, willingly or not, must face the fundamental choices that have been with man for tens of thousands of years, unchanged since the memory of Earth was lost. This is EVE, The Empyrean Age. A test of our convictions and the will to survive. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The technology to download the consciousnesses of pilots into multiple clones, the Capsuleers, has finally delivered the dream of immortal soldiers. Train a soldier just once and then however many times he dies he will keep on getting more experienced, more battle toughened, as his brain is downloaded into a ready supply of cloned bodies. But no-one anticipated the effects of the multiple traumas, the multiple stresses of multiple lives and deaths on the battle field. War is hell. And now it can last forever for everyone. A fast-moving action-packed novel of interstellar war and high-tech combat, backed by massive cross promotion.

A new novel set in the world of the popular science fiction online role playing game, EVE. We all crave a purpose. A fire to spark our lives into action. It's this burning life within that drives us to our destinies. But when it burns too deep, or goes unchecked, it can shatter innocent lives in its wake. A vicious attack on a deep-space mining colony rains death and destruction on nearly all its inhabitants. Only a handful survive. Among the shattered survivors is a young man, hell-bent on an impossible revenge. In another part of the universe, a wealthy agent of death finds her tenuous grip on sanity slipping, and is forced to leave everything she's come to know and love. But her last chance at redemption lies in the last place she ever thought to look. Their respective paths take them through the vast universe of EVE, to galactic empires built on faith, hedonism, discipline, and rebellion. Their fates plunge them into the darkest parts of this galaxy, to encounters with denizens of the chaotic and dangerous pirate kingdoms. And all the while, as each draws closer to what they seek, they begin to realize that the only stakes worth playing for are the ones from which they've run so far away. . . . Revealing over a decade of images created during the development of EVE Online, DUST 514, and EVE: Valkyrie--this is the ultimate look at the most massive and dynamic universe in video games! Created in close collaboration with the developers behind each game, this gorgeous full-color hardcover immerses readers in New Eden through hundreds of stunning, never-before-seen pieces of art. With in-depth

commentary by CCP throughout, this is a must-have for any fan of science fiction, video games, or jaw-dropping visuals!

The official novel of Naughty Dog ' s award-winning videogame franchise! In the ancient world there was a myth about a king, a treasure, and a hellish labyrinth. Now the doors to that hell are open once again. Nathan Drake, treasure hunter and risk taker, has been called to New York City by the man who taught him everything about the “ antiquities acquisition business. ” Victor Sullivan needs Drake ' s help. Sully ' s old friend, a world-famous archaeologist, has just been found murdered in Manhattan. Dodging assassins, Drake, Sully, and the dead man ' s daughter, Jada Hzujak, race from New York to underground excavations in Egypt and Greece. Their goal: to unravel an ancient myth of alchemy, look for three long-lost labyrinths, and find the astonishing discovery that got Jada ' s father killed. It appears that a fourth labyrinth was built in another land and another culture—and within it lies a key to unmatched wealth and power. An army of terrifying lost warriors guards this underground maze. So does a monster. And what lies beyond—if Drake can live long enough to reach it—is both a treasure and a poison, a paradise and a hell. Welcome to The Fourth Labyrinth.

Following some of the key characters from his first novel, EVE: The Empyrean Age, Tony Gonzales once again embarks on an epic journey expanding the EVE universe, the largest science fiction massive multiplayer online game. This publication will tie into EVE's first expansion into console gaming. "There will be neither compassion nor mercy; Nor peace, nor solace For those who bear witness to these Signs And still do not believe." Book of Reclaiming 25:10 New Eden: the celestial battleground of a catastrophic war that has claimed countless lives. The immortal starship captains spearheading this epic conflict continue their unstoppable dominance, shaping the universe to their will and ensuring a bloody, everlasting stalemate. But a powerful empire is on the verge of a breakthrough that could end the war and secure their rule over mankind forever. For deep in a prison reclamation camp, a secret program is underway...one that will unlock dangerous secrets of New Eden's past. It all begins with inmate 487980-A . . . Templar One. Prepare for DUST 514. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

An international bestseller certain to appeal to fans of The Last Templar—the thrilling first book in a sweeping medieval trilogy On the eve of the last Crusade, two men's destinies will come together as two great civilizations go to war. Amidst conspiracy and intrigue in Europe, Will Campbell, a young knight, risks his life to recover the stolen Book of the Grail. Hidden within its pages are the heretical plans of a secret society within the Knights Templar. Meanwhile, the former slave Baybars Bundukdari and his army have taken over Egypt and Syria, and are planning a new Holy War to bring the Crusaders to their knees. With breathtaking battle scenes, memorable characters, and a riveting mystery at its center, Brethren (being published simultaneously with book two, Crusade, in hardcover) is a heart-stopping historical drama that brings the Middle Ages vividly to life.

Superstar writer Brian Wood tells the origin of the Valkyrie--the deadliest spacefighter pilots in the EVE universe! This series leads into EVE Valkyrie, one of the most hotly anticipated video games of all time, a groundbreaking virtual reality space dogfighting shooter from the creators of EVE Online. With cloning technology that transmits them into a new body each time the old one dies in flames, the Valkyrie are immortal--the most skilled, most fearless pilots money can buy, mercenaries with loyalty to no one but each other.
