Ghost Run is the final Day By Day Armageddon book. Probably. This is very bittersweet for me. I always hate endings. Like any good ending the future is not set. There are still a million stories to be told. More journals to be written. The main character has both the best and worst luck in the universe.

May 16th. 1201 hrs. We are now under siege. Beyond the silo access doors, we have a small army of beaten and battered undead to contend with. They only want one thing... Day by Day Armageddonis the handwritten journal of one man and his struggle for survival. Trapped in the midst of global disaster, he must make decisions that could mean life, or which could condemn him eternally to walk as one of them. Enter, if you dare, into his world. The world of the undead.

Depicts the zombie apocalypse through the journal of a member of the military and descriptions of the other survivors he meets in the fourth book in the series following Origin to Exile and Beyond Exile. Original. 75,000 first printing.

In the darkness beyond life, something stirs. Now a childless mother must decide how far she will go to protect her dead daughter. Behind the oppressive reality of abuse, depression and suicide, there is light on the edge of the darkness. "The Devourer" is a psychological horror novel that goes beyond the classic paranormal genre.

All Hager had to do was slow the dogsled to a walk, and his partner died. A perfect crime--no chance to get caught!

Kitty Hawk and the Hunt for Hemingway's Ghost is the exciting second installment in a new series of adventure mystery stories that are one part travel, one part history and five parts adventure. This second book in the series continues the adventures of Kitty Hawk, an intrepid teenage pilot who has decided to follow in the footsteps of her hero Amelia Earhart and make an epic flight around the entire world. After flying across North America Kitty's journey takes her down south to Florida where she plans to get a bit of rest and relaxation before continuing on with the rest of her long and grueling flight. As Kitty explores the strange and magical water world of the Florida Keys her knack for getting herself into precarious situations sweeps her headlong into the adventure of a lifetime involving mysterious lights, ancient shipwrecks, razor-toothed barracudas and even a sighting of the great Ernest Hemingway himself. This exhilarating story will have armchair explorers and amateur detectives alike anxiously following every twist and turn as they are swept across the landscape and history of the Florida Keys all the way from Key West to the strange and remarkable world of Fort Jefferson and the Dry Tortugas.

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Addertass. A seed of evil was planted under Addertass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Addertass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.
