~~Go Down Together: The True, Untold Story of Bonnie and ...~~ Go Down Together has it all—true romance, rebellion against authority, bullets flying, cars crashing, and, in the end, a dramatic death at the hands of a celebrity lawman.

An account of the exploits of Bonnie and Clyde explores the ways in which they captured the imaginations of people during and after their time, reveals the role of youth and luck in their two-year crime spree, and recounts the events that led to their deaths.

From the moment they first cut a swathe of crime across 1930s America, Clyde Barrow and Bonnie Parker have been glamorised in print, on screen and in legend. The reality of their brief and catastrophic lives is very different -- and far more fascinating. Combining exhaustive research with surprising, newly discovered material, author Jeff Guinn tells the real story of two youngsters from a filthy Dallas slum who fell in love and then willingly traded their lives for a brief interlude of excitement and, more important, fame. Thanks in great part to surviving relatives of Clyde Barrow and Bonnie Parker, who provided Guinn with access to never-before-published family documents and photographs, this book reveals the truth behind the myth, told with cinematic sweep and unprecedented insight by a master storyteller.

Forget everything you think you know about Clyde Barrow and Bonnie Parker—previous books and films, including the brilliant 1967 movie starring Warren Beatty and Faye Dunaway, have emphasized the supposed glamour of America’s most notorious criminal couple, thus contributing to ongoing mythology. The real story is completely different—and far more fascinating. In Go Down Together: The True, Untold Story of Bonnie and Clyde, bestselling author Jeff Guinn combines exhaustive research with surprising, newly discovered material to tell the real tale of two kids from a filthy Dallas slum who fell in love and then willingly traded their lives for a brief interlude of excitement and, more important, fame. Their timing could not have been better—the Barrow Gang pulled its first heist in 1932 when most Americans, reeling from the Great Depression, were desperate for escapist entertainment. Thanks to newsreels, true crime magazines, and new-fangled wire services that transmitted scandalous photos of Bonnie smoking a cigar to every newspaper in the nation, the Barrow Gang members almost instantly became household names on a par with Charles Lindbergh, Jack Dempsey, and Babe Ruth. In the minds of the public, they were cool, calculating bandits who robbed banks and killed cops with equal impunity. Nothing could have been further from the truth. Clyde and Bonnie were perhaps the most inept crooks ever, and their two-year crime spree was as much a reign of error as it was of terror. Lacking the sophistication to plot robberies of big-city banks, the Barrow Gang preyed mostly on small mom-and-pop groceries and service stations. Even at that, they often came up empty-handed and were reduced to breaking into gum machines for meal money. Both were crippled, Clyde from cutting off two of his toes while in prison and Bonnie from a terrible car crash caused by Clyde’s reckless driving. Constantly on the run from the law, they lived like animals, camping out in their latest stolen car, bathing in creeks, and dining on cans of cold beans and Vienna sausages. Yet theirs was a genuine love story. Their devotion to each other was as real as their overblown reputation as criminal masterminds was not. Go Down Together has it all—true romance, rebellion against authority, bullets flying, cars crashing, and, in the end, a dramatic death at the hands of a celebrity lawman hired to hunt them down. Thanks in great part to surviving Barrow and Parker family members and collectors of criminal memorabilia who provided Jeff Guinn with access to never-before-published material, we finally have the real story of Bonnie and Clyde and their troubled times, delivered with cinematic sweep and unprecedented insight by a masterful storyteller.

“ A vivid, haunting mix of horror and fantasy woven together through a complex fugue of short stories ” from the award-winning author of Kissing Carrion (Entertainment Weekly). One of Canada ’ s most acclaimed horror writers, Gemma Files presents a mosaic of interconnected stories about interconnected families. After fleeing Scotland, five clans settled in the fictional town of Dourvale in northern Ontario. Known as the Five-Family Coven, they are the descendants of witches and witch-children, none of whom were spared persecution in their native country. Now shamans, spellcasters, singers, and thieves, the members of the Devize, Druir, Glouwer, Roke, and Rusk families survive by trading their occult powers and talents—though few can really afford their price . . . “ What makes We Will All Go Down Together so riveting isn ’ t its ideas or imagery, as richly atmospheric and detailed as they are. It ’ s the author ’ s voice. Colorful, powerful, and charismatic, her characters are rendered in bold strokes and poignant nuances. . . . Her book is a short-story collection, true, but it also works as a dark, fractured mosaic of a novel. Across continents and centuries, the ghost-magic of Dourvale still cuts and pastes the fabric of reality. With her ghostly, magical storytelling, Files does the same. ” —NPR.org Praise for Gemma Files “ Gemma Files ’ s stories are always so smart and humane, and overwhelm the reader with a true sense of wonder, awe, and horror. She is, simply put, one of the most powerful and unique voices in weird fiction today. ” —Paul Tremblay, award-winning author of A Head Full of Ghosts “ One of the genre ’ s most original and innovative voices. ” —Los Angeles Review of Books

The story of Bonnie and Clyde--their love, their desperate killings, and their destruction in an explosion of gun fire--has fueled an American legend more than seventy years. But it is only with this book by the last surviving officer of the six who shot Bonnie and Clyde that the full story of their capture has been told. Ted Hinton's description of a secret, illegal police trap--hidden at the time from the press and public--is one of many revelations he draws from his intimate knowledge of the greatest manhunt of the 1930s. As a Dallas lawman he spent seventeen months, night and day, on the trail of Bonnie Parker and Clyde Barrow. He knew the notorious criminals personally from the seamy, hoodlum-ridden Dallas neighborhoods where they all grew up. He shared their code of toughness and genuinely admired the extraordinary courage, skill, and loyalty that made Bonnie and Clyde stand out almost as heroes in the public imagination. Hinton admired them, but he never doubted that they had to be stopped. The long trail could only end in a shootout and their deaths--or his. Hinton's experiences as a green young sheriff's deputy and his compassion for outlaw lovers give Ambush an unusual dimension of humanity. Twenty-seven photographs underscore the book's vivid authenticity. And the author's meticulous research, using sources available to no one else, makes this the definitive work of fact. The result is a powerful human drama of crime and the law: the real story of Bonnie and Clyde.

In Our Land Before We Die, Jeff Guinn traces the little-known history of the runaway slaves who fled to the Florida Everglades to live alongside the Seminole Indians. Deeply rooted in tribal oral history, and based on extensive interviews with descendants, this book describes the incredible circumstances of a people who sought shelter in the shadow of a tribe whose land and welfare already hung in the balance. And yet, in their tireless journey--from Florida to Indian Territory in Oklahoma; on the seven-hundred-mile flight from persecution that took them across the Rio Grande into Mexico; and then back across the Rio Grande to Texas--they never surrendered the hope of one day attaining land of their own. Our Land Before We Die brings to life the largely forgotten history of a courageous people and the descendants for whom this story is their only legacy.

A New York Times bestseller, Jeff Guinn ’ s definitive, myth-busting account of the most famous gunfight in American history reveals who Wyatt Earp, Doc Holliday, and the Clantons and McLaurys really were and what the shootout was all about— “ the most thorough account of the gunfight and its circumstances ever published ” (The Wall Street Journal) On the afternoon of October 26, 1881, in a vacant lot in Tombstone, Arizona, a confrontation between eight armed men erupted in a deadly shootout. The Gunfight at the O.K. Corral would shape how future generations came to view the Old West. Wyatt Earp, Doc Holliday, and the Clantons became the stuff of legends, symbolic of a frontier populated by good guys in white hats and villains in black ones. It ’ s a colorful story—but the truth is even better. Drawing on new material from private collections—including diaries, letters, and Wyatt Earp ’ s own hand-drawn sketch of the shootout ’ s conclusion—as well as archival research, Jeff Guinn gives us a startlingly different and far more fascinating picture of what actually happened that day in Tombstone and why.

Traces the background and criminal careers of Bonnie Parker and Clyde Barrow, two of America’s most notorious outlaws and devoted lovers who became partners in a series of violent bank robberies at the height of the Depression.

Bonnie and Clyde may be the most notorious--and celebrated--outlaw couple America has ever known. This is the true story of how they got that way. Bonnie and Clyde: we've been on a first name basis with them for almost a hundred years. Immortalized in movies, songs, and pop culture references, they are remembered mostly for their storied romance and tragic deaths. But what was life really like for Clyde Barrow and Bonnie Parker in the early 1930s? How did two dirt-poor teens from west Texas morph from vicious outlaws to legendary couple? And why? Award-winning author Karen Blumenthal devoted months to tracing the footsteps of Bonnie and Clyde, unearthing new information and debunking many persistent myths. The result is an impeccably researched, breathtaking nonfiction tale of love, car chases, kidnappings, and murder set against the backdrop of the Great Depression.

Jess has been in love with her best friend, Kate, for seven years, but her feelings have never been returned. One night they sleep together, and Jess finds out how much it is possible to be hurt by someone close. Jess and Kate struggle to redefine their friendship. They spend a week at Jess's family holiday house in a small seaside town, Awatangi, intending to make the time to talk things through, but the conversations never happen. Kate makes vague promises, but begins to have second thoughts. Jess wants Kate, and nothing else, and is heartbroken that isn't enough.Jess decides — while everything is changing in her life — that she doesn't want to go on living in the city, that she wants to return to Awatangi. Part of her hopes some physical distance between them may help things with Kate, and part of her — frustrated and upset — simply wants to leave Kate behind. In Awatangi, Jess meets Keri, a local lawyer who has also recently returned home. Like Jess, Keri surfs, and like Jess, she seems to feel some attachment to her family roots in Awatangi. Jess is drawn to Keri, but forces herself not to let anything happen. Despite everything, Kate is still Jess's closest friend, and she has loved Kate all her life. She feels she has to give the situation with Kate as long as she can to work itself out. Awatangi is about coping with feelings for a close friend that are not returned, set in a small holiday township on the West Coast of the South Island of New Zealand. It is an exploration of getting what you've always wanted and it not being enough, of being in love with one person and wanting another, and of finding out that life doesn't always turn out as expected.
