The original Kink Kronikles came out in about 1965-66 (at least in the USA), had entirely different cover art, and featured Milk Cow Blues among other songs from that era of the Kinks. costituisce un manuale fondamentale per più generazioni, una collezione audace (e sexy) di saggi sulla libera espressione della propria sessualità che spaziano da consigli pratici a suggerimenti provocatori su come fare nuove emozionanti esperienze, il tutto per approfondire le complesse questioni di desiderio, potere, sottomissione e piacere. Tristan Taormino raccoglie molteplici esperienze della comunità kink per la prima volta assieme in un libro senza precedenti: ogni tematica è approfondita in un capitolo dedicato, grazie ai contributi dei migliori SexExpert, dotati di grande competenza psicologica e pratica sul tema trattato. Nella prima parte del volume si esplorano “capacità e tecniche”: idee creative e user friendly per bondage, spanking, fustigazione, gioco di ruolo e sesso violento consenziente; mentre la seconda è dedicata a “fantasie e filosofie”. Qualunque sia il vostro desiderio più nascosto, qualsiasi emozione o sensazione vi ecciti, gli autori vi aiuteranno a vivere la vostra sessualità in modo libero, soddisfacente, consensuale e sicuro. Se volete imparare a fare un nodo a dovere o ad assestare una frustata soddisfacente, se desiderate comprendere la perversione del vostro partner e altre pratiche suggestive... questo è il libro che fa per voi! The Ultimate Guide to Kink is the first major guide to BDSM in a generation—a bold and sexy collection of essays that run the gamut from expert how-to tutorials to provocative essays that delve into complex questions about desire, power, and pleasure. The book brings together diverse voices from the kink community in an unprecedented way: each chapter is written by a different sexuality/BDSM educator. Divided into two sections, the first section features thorough, thoughtful pieces—on everything from flogging to bondage—packed with techniques and beautifully illustrated with original images from artist Katie Diamond. The second section is dedicated to role-playing fantasies and personal manifestos. From age play to masochism, these chapters cover some of the edgiest, most taboo and controversial elements of kink in depth. The Ultimate Guide to Kink features the expertise of renowned educators writing passionately on their favorite subjects, including Patrick Califia, Midori, Laura Antoniou, Barbara Carrellas, Lee Harrington, Jack Rinella, Lolita Wolf, Madison Young, Hardy Haberman, Felice Shays, Ignacio Rivera, Sarah Sloane, Mollena Williams, FifthAngel, and Edge. It will educate, inspire, and challenge both newcomers to the world of kink and experienced BDSM players.

A smart, sexy guide to embracing the repressed, tabooed, and often unwanted aspects of ourselves so

we can discover our inner power and finally live the life we deserve. 'We always get exactly what we want; but often, though we may not be aware of it, what we most want is dark - very dark.' Each of us has a dual nature: we are light (conscious) and dark (unconscious). The dark side of our personality - the "other," the shadow side - is made up of what we think is our primitive, primal, negative impulses - our "existential kink." Our existential kink also drives the dark or negative repeating patterns in our life: always choosing the abusive partner or boss, settling for less, thinking that we're undeserving, not worthy. But it also is the source of our greatest power. In *Existential Kink*, Carolyn Elliot, PhD, offers a truth-telling guide for bringing our shadow into the light. Inviting us to make conscious the unconscious, Elliot asks us to own the subconscious pleasure we get from the stuck, painful patterns of our existence. *Existential Kink* provides practical advice and meditations so we truly see our shadow side's "guilty pleasures," love and accept them, and integrate them into our whole being. By doing so, Elliot shows, we bring to life the raw, hot, glorious power we all have to get what we really want in our lives.

Many of the characters populating the pages of this sizzling collection consciously reinvent, re-imagine and play with gender during sex. The names they give themselves or each other during sex can taunt and tease - but they always signify the presence of gender.

Escal-Vigor (1899) is a novel by Georges Eekhoud. Recognized as a groundbreaking work of LGBTQ literature, Escal-Vigor was praised by some of Belgium's leading critics upon publication, but also led to a trial in which Eekhoud was accused of obscenity. Acquitted, he managed to retain his reputation as a leading writer in Belgium and continued publishing novels and stories, often on homosexuality, until his death in 1927. "Henry, whose nature was passionate and philosophy audacious, told himself, not without reason, that through his affinities, he would feel himself at home amid these beautifully barbarous surroundings, where natural instincts reigned." Having lived freely around Europe, Henry Kehlmark returns to his family's ancestral home, ready to settle down in the role of Dykgrave, or Count. Soon, however, his cosmopolitan ways draw the attention of the local villagers, who mistrust Henry and question his intentions. When the Count strikes up a romantic relationship with the burgomaster's son, an impressionable youth, he risks violent reprisal as a homosexual living in proximity to a traditional, insular people. For once in his life, however, Henry feels like he can be himself, living truthfully and without fear, able to separate himself from the pressures that dogged so many of his loved ones, now deceased. When word of their relationship gets out,

however, Henry discovers the limits of provincial hospitality. With a beautifully designed cover and professionally typeset manuscript, this edition of Georges Eekhoud ' s Escal-Vigor is a classic work of Belgian literature reimagined for modern readers.

Presents involving, contemporary themes integrated within a grammar syllabus aligned with the CEFR and Cambridge English (Key, Preliminary and First) plus Trinity (ISE 0, I and II) exams.

The authors explore the realm of sex magic from the kinkier side, using the intense altered states of consciousness inherent in BDSM and other fetish play to create practical and metamorphic techniques.
