ever. Power—we all want it, we all need it. We feel its effects in our business, family, and personal relationships. In this accessible volume, Dr. Steiner shows how everyone can be powerful without being power-hungry. Instead of chasing the increasingly empty and improbably “conventional American power dream,” as Dr. Steiner

puts it, the other side of power—our own personal strengths—can be used to get us what we want. This humane approach is not predicated upon the exploitation or manipulation of others, which leads to power for the few and not the many. In clear terms and with specific examples, the author shows how to draw instead upon individual
