Go beyond lame blogging books with this step-by-step into nine proven systems to make money blogging I spent years wanting to start a blog. I hated my job and knew I didn't want to spend a third of my day miserable...but looking through blogging books, all I found were generic strategies and false promises. They all promised huge income but none really told me how much bloggers make or how to make money online. I said screw it and started my blogs anyway in 2014. I quit my job and spent 60+ hours a week building my sites and learning how to make money blogging. You know what, it paid off. I doubled my monthly income last year and now make more than 85% of bloggers. That's in just two years of blogging and I make money from seven different income sources every month. Flip-flops and a T-shirt are my uniform and I'm loving it! You Don't Have 60+ Hours a Week to Learn How to Make Money Online? I didn't start making money blogging overnight. I treated it like a business, I put everything into it and sacrificed life for months to learn how to start a blog and be successful. My pain is your gain. You don't have to sacrifice a year of your time to start making money and work from home. I put everything I learned on my own into this book from the easiest ways to make money to the methods that make thousands a month. Making Money Blogging...and only Making Money This isn't just another generic blogging book, covering everything from starting a blog to building traffic and then offering a side-note on a few ways to make money. You can find that anywhere. Type 'Start a Blog' in Google and you'll find thousands of articles on how to setup your site but none of them tell you exactly how to make money. Believe me, I tried and had to learn the hard way. This book is 100% dedicated to giving you the tools that make money on websites. In this book you'll learn: The proven one-year strategy for developing different income sources on your blog, from the immediate payoffs to the methods that make thousands a month (pg. 171) The complete sales funnel one blogger uses to sell his \$1,000 courses and make between \$30,000 to \$70,000 every single month (pg. 93) How I turned my blogs into a self-publishing engine and make nearly \$2,000 a month just on the books (pg. 67) How I doubled the monthly income from my blogs last year to make more than 85% of bloggers (pg. 6) How I turned a blog making less than \$100 a month into a \$1,000 cash machine in less than three weeks (pg. 112) If you are serious about working from home and making money online, scroll back up and click buy now.

Are you looking to make money from home doing what you love? Do you need a little extra to pay for family vacations, your kids' college, or next month's mortgage? Are you a stay at home mom who wants to contribute to the family finances? Or maybe you want to earn a full-time income from home? In this book, the authors teach you everything you need to know to start a blog and earn your first \$1000 (or more). If you love writing and are passionate about a topic then blogging is the perfect work-at-home job for you. In this book, you'll find easy step-by-step instructions on how to: \* Pick a blogging niche that is profitable and exciting. \* Set up your blog for less than \$100 (even if you have no technical skills). \* Create content you and your readers love. \* Earn money from your blog - using six proven monetization strategies. \* Market your blog like a pro (in less than one hour a day). Blogging has been going on since as long as the internet has been up and running. Over the past several years, there is a new trend emerging. This is the trend of being able to monetize a blog. If you're blogging about a topic and you have a number of regular site visitors, you might as well start making money off of it. Whether you have a blog up and running right now or not, you can benefit from this e-book because it will show you how to make money with a blog. It's one of the easiest ways to bring in money without doing a lot of work. While it will require new content on a regular basis, you won't have to spend a lot of time on the blog once all of the set-up has been done. There are many people who are bringing in six-figure incomes a year, all from monetizing their blog. It's easy to do and that's because online marketing is a billion-dollar industry. There are thousands of companies who spend big money every month to ensure their product gets in front of their target demographic. By having a blog that targets their demographic, you can tap into some of the money that they are spending in order to promote their products and services. This money is earned easily and legally - and more and more people are making money from blogging than ever before. You have to ask yourself this: Do you want to earn more money? Do you have a topic for a blog? If the answer is "yes" to both of these, then what are you waiting for? It's time to start making money from blogging.

Blogs have quickly become just as legitimate and influential as mainstream newspapers and magazines. Successful blogger Chow--whose site makes more than \$40,000 a month--reveals all the secrets that other pro bloggers won't share.
