To Kill a Mockingbird Quotes by Harper Lee

To Kill a Mockingbird. Maycomb was an old town, but it was a tired old town when I first knew it. Scout is describing her home early in the novel. This line serves a dual purpose. On the one hand, it provides a sense of the town. Maycomb is old, but in the 1930s it was also tired. On the other hand, the line also signals to the reader that the narrator is looking back on her memories of an earlier time and a place that may have changed since the events she's describing.

The young Scout Finch, from "To Kill a Mockingbird," by Harper Lee, is one of American literature's most iconic and unforgettable fictional characters.The book deals with issues of racial injustice and gender roles in the American South. The book was largely based on Lee's own childhood, growing up in Monroeville, Alabama, during the Great Depression.

Scout Quotes From 'To Kill a Mockingbird' by Harper Lee

To Kill a Mockingbird. I thought I wanted to be a lawyer but I ain't so sure now! Jem shouts this line after he is sure that Atticus won't be able to hear him. He is mad that Atticus got him to admit guilt using a lawyer's trickery.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South--and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father--a crusading local lawyer--risks everything to defend a black man unjustly accused of a terrible crime.

"Lira, a famous siren, must prove herself by stealing the heart of the man, a prince, threatening their race"--

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere--from high school classrooms to graduate seminars in creative writing--it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

A historic literary event: the publication of a newly discovered novel, the earliest known work from Harper Lee, the beloved, bestselling author of the Pulitzer Prize-winning classic, To Kill a Mockingbird. Originally written in the mid-1950s, Go Set a Watchman was the novel Harper Lee first submitted to her publishers before To Kill a Mockingbird. Assumed to have been lost, the manuscript was discovered in late 2014. Go Set a Watchman features many of the characters from To Kill a Mockingbird some twenty years later. Returning home to Maycomb to visit her father, Jean Louise Finch--Scout--struggles with issues both personal and political, involving Atticus, society, and the small Alabama town that shaped her. Exploring how the characters from To Kill a Mockingbird are adjusting to the turbulent events transforming mid-1950s America, Go Set a Watchman casts a fascinating new light on Harper Lee's enduring classic. Moving, funny and compelling, it stands as a magnificent novel in its own right.

LA Times winner for The Christopher Isherwood Prize for Autobiographical Prose A New York Times bestseller A New York Times Editors' Choice A Featured Title in The New York Times Book Review's "Paperback Row" A Bustle "17 Books About Race Every White Person Should Read" "Essential reading."--Junot Diaz "Electric...so well reported, so plainly told and so evidently the work of a man who has not grown a callus on his heart."--Dwight Garner, New York Times, "A Top Ten Book of 2016" "I'd recommend everyone to read this book because it's not just statistics, it's not just the information, but it's the connective tissue that shows the human story behind it." -- Trevor Noah, The Daily Show A deeply reported book that brings alive the quest for justice in the deaths of Michael Brown, Tamir Rice, and Freddie Gray, offering both unparalleled insight into the reality of police violence in America and an intimate, moving portrait of those working to end it Conducting hundreds of interviews during the course of over one year reporting on the ground, Washington Post writer Wesley Lowery traveled from Ferguson, Missouri, to Cleveland, Ohio; Charleston, South Carolina; and Baltimore, Maryland; and then back to Ferguson to uncover life inside the most heavily policed, if otherwise neglected, corners of America today. In an effort to grasp the magnitude of the repose to Michael Brown's death and understand the scale of the problem police violence represents, Lowery speaks to Brown's family and the families of other victims' families as well as local activists. By posing the question, "What does the loss of any one life mean to the rest of the nation?" Lowery examines the cumulative effect of decades of racially biased policing in segregated neighborhoods with failing schools, crumbling infrastructure and too few jobs. Studied with moments of joy, and tragedy, They Can't Kill Us All offers a historically informed look at the standoff between the police and those they are sworn to protect, showing that civil unrest is just one tool of resistance in the broader struggle for justice. As Lowery brings vividly to life, the protests against police killings are also about the black community's long history on the receiving end of perceived and actual acts of injustice and discrimination. They Can't Kill Us All grapples with a persistent if also largely unexamined aspect of the otherwise transformative presidency of Barack Obama: the failure to deliver tangible security and opportunity to those Americans most in need of both.

"This majestic, moving novel is an instant classic, a book that will be read, discussed and taught beyond the rest of our lives."--Chicago Tribune Winner of the National Book Critics Circle Award, A Lesson Before Dying is a deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. From the critically acclaimed author of A Gathering of Old Men and The Autobiography of Miss Jane Pittman.

Perfect for fans of suspenseful nonfiction such as books by Steve Sheinkin, this is a page-turning narrative about Dietrich Bonhoeffer, a pastor and pacifist who became an unlikely hero during World War II and took part in a plot to kill Hitler. Written by two-time National Book Award finalist Patricia McCormick, author of Sold and Never Fall Down and coauthor of the young reader's edition of I Am Malala. It was April 5, 1943, and the Gestapo would arrive any minute. Dietrich Bonhoeffer had been expecting this day for a long time. He had put his papers in order--and left a few notes specifically for Hitler's men to see. Two SS agents climbed the stairs and told the boyish-looking Bonhoeffer to come with them. He calmly said good-bye to his parents, put his Bible under his arm, and left. Upstairs there was proof, in his own handwriting, that this quiet young minister was part of a conspiracy to kill Adolf Hitler. This compelling, brilliantly researched account includes the remarkable discovery that Bonhoeffer was one of the first people to provide evidence to the Allies that Jews were being deported to death camps. It takes readers from his privileged early childhood to the studies and travel that would introduce him to peace activists around the world--eventually putting this gentle, scholarly pacifist on a deadly course to assassinate one of the most ruthless dictators in history. The Plot to Kill Hitler provides fascinating insights into what makes someone stand up for what's right when no one else is standing with you. It is a question that every generation must answer again and again. With black-and-white photographs, fascinating sidebars, and thoroughly researched details, this book should be essential reading.

A psychological horror with a literary twist, Kill Creek delivers elevated prose, while evoking the unnerving, atmospheric terror essential to greats like Peter Straub and Stephen King--a haunting that lingers long after turning the last page.
