StrengthsFinder 2.0, Amazon's Bestselling Nonfiction Book of All Time StrengthsFinder 2.0 is the go-to guide for getting the most from employees and teams by focusing on what they do best.

insight will challenge, develop and inspire your students. It will motivate and engage them with thought provoking topics and information rich texts which will challenge their opinions and inspire them to think critically about the world they live in. It will prepare them for a life of learning with a clear focus on developing their skills and autonomous learning habits. It will give your students a deeper awareness of how language works, furnishing them with not just the meaning of vocabulary but also the rules that govern its use, allowing your students to use it with confidence.

Suitable for students at secondary level, this title combines an approach to learning English with National Geographic images, DVD clips and articles. It helps you develop real-world language skills through age-appropriate resources.

The text is focused primarily on the academic skills of reading, writing, listening, and speaking, with an emphasis on writing. Video contains four lectures: Proximate and ultimate causes of animal behavior; Stranger intervention; Power and international relations; UFOs.

The Student's Book and Workbook are bound together for ease-of-use. There is a structured approach to skills with reading, writing, listening and speaking skills development integrated within each unit. Clear grammar-reference and extra practice material are at the end of each unit (Levels 1-4) and Student Book section (Levels 5 & 6).

The Student's Book and Workbook are bound together for ease-of-use. There is a structured approach to skills with reading, writing, listening and speaking skills development integrated within each unit. Clear grammar-reference and extra practice material are at the end of each unit (Levels 1-4) and Student Book section (Levels 5 & 6).

New Insights into Business is an intermediate to upper-intermediate course for adult learners of Business English. It provides an authentic framework for developing an understanding of key areas of contemporary business. The Teacher's book supports the course and provides photocopiable materials and test material.

Instruction covering four exam modules: listening, reading, writing and speaking. Includes one practice test and answer key. Script of accompanying audio recording.

Top 10 Pick for Learning Ladders! Best Books for Educators Summer 2021 A groundbreaking guide to improve teaching based on the latest research in neuroscience, from the bestselling author of A Mind for Numbers. Neuroscientists and cognitive scientists have made enormous strides in understanding the brain and how we learn, but little of that insight has filtered down to the way teachers teach. Uncommon Sense Teaching applies this research to the classroom for teachers, parents, and anyone interested in improving education. Topics include: keeping students motivated and engaged, especially with online learning helping students remember information long-term, so it isn't immediately forgotten after a test how to teach inclusively in a diverse classroom where students have a wide range of abilities Drawing on research findings as well as the authors' combined decades of experience in the classroom, Uncommon Sense Teaching equips readers with the tools to enhance their teaching, whether they're seasoned professionals or parents trying to offer extra support for their children's education.

PREPARE 2nd edition Level 2 combines 'teen-appeal' topics with gradual preparation towards the revised 2020 A2 Key for Schools exam. Students will enjoy interactive, personalised lessons with themes and resources relevant to their interests. The new Life Skills approach inspires learners to expand their horizons and knowledge and includes insights from The Cambridge Framework for Life Competencies. Teachers can relax knowing every unit drives students towards exam success and that the course is creating confident English users with the enhanced vocabulary and grammar syllabus. A Student's Book and Online Workbook is also available, separately.
