Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture.

Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland , California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

Emmy Award-winning writer Sara Schaefer's hilariously honest memoir follows her "on this wild river descent into the Grand Canyon and her own secret family history. This is a Class 1000 Rapids of a memoir and I urge you to take the ride" (John Hodgman, author of Vacationland). Perfect for fans of Let's Pretend This Never Happened. When Sara Schaefer is in first grade, her father warns her to always tell the truth because one lie leads to another and soon you will find yourself in a hole you can't escape. A few years later, the Schaefer family is completely upended when it's revealed that their grand life is based on a lie. Her parents become pariahs in their upper middle class community and go from non-religious people to devout church members. The idea of good and evil as binary, opposed forces is a lesson she never forgets. The year she turns forty, Sara decides to take each member of her family on a one-on-one vacation culminating with a whitewater rafting journey through the Grand Canyon with her

sister. The only problem is she's terrified of rafting. Along the way, she grapples with unresolved grief over the death of her mother and the family scandal that changed the trajectory of her life. "Funny, sweet, heartbreaking, vulnerable, and powerfully written" (Moshe Kasher, author of *Kasher in the Rye*), *Grand* is "a wise, funny acknowledgment that we are not always in control—and that growth is most likely to happen when we let go" (BookPage).

"A mesmeric combination of vivid, keen, obsessive precision and raw, urgent energy." --Zoe Williams, *Guardian* "Thrilling and harrowing . . . Unsurpassed and unsurpassable." --Sunday Times James Rhodes's passion for music has been his lifeline--the thread that has held through a life encompassing abuse and turmoil. But whether listening to Rachmaninov on a loop as a traumatized teenager or discovering a Bach adagio while in a hospital ward, he survived his demons by encounters with musical miracles. These--along with a chance encounter with a stranger--inspired him to become the renowned concert pianist he is today. *Instrumental* is a memoir like no other: unapologetically candid, boldly outspoken, and surprisingly funny--shot through with a mordant wit, even in its darkest moments. A feature film adaptation of Rhodes's incredible story is now in development from Monumental Pictures and BBC Films, following a competitive bidding war involving major U.S. and U.K. companies. An impassioned tribute to the therapeutic powers of music, *Instrumental* also weaves in fascinating facts about how classical music actually works and about the extraordinary lives of some of the great composers. It explains why and how music has the potential to transform all of our lives.

Discusses the author's choice to not have children and how it shapes and affects her comedy career, and provides humorous advice to those making similar choices on how to handle friends and family pressuring them to have a child.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "*Kasher in the Rye: The True Tale of a White Boy from Oakland Who Became a Drug Addict, Criminal, Mental Patient, and Then Turned 16.*" Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

The headline standup comic and frequent talk-show guest traces his youth as a gay Jewish boy with ADD and dyslexia in 1970s Philadelphia, describing his early achievements as an opening act for comedic stars, his struggles to accept his sexual orientation and his work in podcasting.

"Exquisite. Full of wry humor, tenderness, and compassion." --Jeannette Walls, *New York Times* bestselling author A hilarious and heartbreaking memoir about a mother and son's outlandish odyssey of self-discovery, and the rag-tag community that rallied to help them when they needed it most. Dan Mathews knew that his witty, bawdy seventy-eight year-old mother, Perry, was unable to maintain her fierce independence--so he flew her across the country to Virginia to live with him in an 1870 townhouse badly in need of repairs. But to Dan, a screwdriver is a cocktail not a tool, and he was soon overwhelmed with two fixer-uppers: the house and his mother. Unbowed, Dan and Perry built a rollicking life together fueled by costume parties, road trips, and an unshakeable sense of humor as they faced down hurricanes, blizzards, and Perry's steady decline. They got by with the help of an ever-expanding circle of sidekicks--Dan's boyfriends (past and present), ex-cons, sailors, strippers, deaf hillbillies, evangelicals, and grumpy cats--while flipping the parent-child relationship on its head. But it wasn't until a kicking-and-screaming trip to the emergency room that Dan discovered the cause of his mother's unpredictable, often caustic behavior: undiagnosed schizophrenia. Irreverent and emotionally powerful, *Like Crazy* is a "journey to self-acceptance and ultimately finding love" (Alan Cumming) and shows the remarkable growth that takes place when a wild child settles down to care for the wild woman who raised him.

The space between life and death is a moment. But it will remain alive in me for hundreds of thousands of future moments. One phone call. That's all it took to change Stephanie Wittels Wachs' life forever.. Her younger brother Harris, a star in the comedy world known for his work on shows like *Parks and Recreation*, had died of a heroin overdose. How do you make sense of such a tragic end to a life of so much hilarious brilliance? In beautiful, unsentimental, and surprisingly funny prose, Stephanie Wittels Wachs alternates between her brother's struggle with addiction, which she learned about three days before her wedding, and the first year after his death, in all its emotional devastation. This compelling portrait of a comedic genius and a profound exploration of the love between siblings is *A Year of Magical Thinking* for a new generation of readers. A heartbreaking but hopeful memoir of addiction, grief, and family, *Everything is Horrible and Wonderful* will make you laugh, cry, and wonder if that possum on the fence is really your brother's spirit animal.

Winner of the Virginia Prize for Fiction A young American on a vacation trip around India with her boyfriend, steps down off the train for a bottle of water at Shambala Junction, only to find herself stranded at the town with no phone or money, she has to rely on the kindness of strangers... A journey into the heart of India, Iris is forced to question her beliefs and values and to learn what really counts. "... a refreshingly original viewpoint on the traditional 'coming of age' story, brimming with powerful women, a complex society and fundamental human truths laid out in all its gritty beauty." --SkyLightRain "An enlightening and enjoyable read. As much a cultural exploration as it is a love story, the book is a remarkable webbing of different viewpoints. Mukherjee is able to translate captivating

realities to a wide audience through pulsing characters, with a natural story-telling ability that is inviting and enlightening.” --Windy City Review “My hat is off to you for making Shambala Junction a compelling, suspenseful novel that illuminates the personal and social consequences of corrupt adoptions.” -- Umberto Tosi author of Ophelia Rising and contributing editor of Chicago Quarterly Review “... fluid prose that takes firm hold of the plot to produce an invigorating, engaging, and dynamic story.” --World Literature Today “A truly engaging and lovely read, Shambala Junction is a book that tugs at the reader’s morality while at the same time telling a truly inspiring coming-of-age story.” --9/10 - Star2.com “Shambala Junction takes hold of you and leads you with absolute confidence into one of the most extraordinary journeys any of us ever embark on: the discovery of India.” -- Barney Norris, author of Five Rivers Met On A Wooded Plain About the author Dipika Mukherjee made her debut as a novelist with Thunder Demons (Gyaana Books, 2011), long-listed for the Man Asian Literary Prize. She won the Platform Flash Fiction competition in April 2009. She has edited two anthologies of Southeast Asian short stories: Silverfish New Writing 6 (Silverfish, 2006) and The Merlion and Hibiscus (Penguin, 2002). Her first poetry collection, The Palimpsest of Exile, was published by Rubicon Press in 2009. Her short stories and poems have appeared in publications around the world, including World Literature Today, Asia Literary Review, The South Asia Review, Del Sol Review and Postcolonial Text among others, and have been widely anthologised. She curates an Asian/American Reading Series for the Guild Literary Complex, Chicago. Dipika holds a doctorate in English (Sociolinguistics) from Texas A&M University. She has taught language and linguistic courses in China, India, the Netherlands, United States, Malaysia, and Singapore and now teaches Sociolinguistics at Northwestern University and is Faculty Affiliate at the Equality Development and Globalisation Studies (EDGS), Roberta Buffett Centre for International and Comparative Studies. She lives in Chicago with her husband and they have two sons. Reviews “This vividly written, courageous book... a refreshingly original viewpoint on the traditional ‘coming of age’ story, brimming with powerful women, a complex society and fundamental human truths laid out in all its gritty beauty.” --SkyLightRain “An enlightening and enjoyable read. As much a cultural exploration as it is a love story, the book is a remarkable webbing of different viewpoints. Mukherjee is able to translate captivating realities to a wide audience through pulsing characters, with a natural story-telling ability that is inviting and enlightening.” --Windy City Review “My hat is off to you for making Shambala Junction a compelling, suspenseful novel that illuminates the personal and social consequences of corrupt adoptions.” --Umberto Tosi author of Ophelia Rising and contributing editor of Chicago Quarterly Review “... fluid prose that takes firm hold of the plot to produce an invigorating, engaging, and dynamic story.” --World Literature Today “A truly engaging and lovely read, Shambala Junction is a book that tugs at the reader’s morality while at the same time telling a truly inspiring coming-of-age story.” --9/10 - Star2.com About previous books: “Dipika Mukherjee uses vibrant imagery and brutally honest observation to create a humanistic portrait of a modern nation still coming to grips with its past.” --City Weekend (Shanghai) “Longlisted for the Man Asian Prize in 2009, Mukherjee’s novel is not unlike Miguel Syjuco’s Iustrado, which won the prize in 2008. Both are grim state-of-the-nation novels based in East Asia, written by peripatetic authors. Both have lead characters who leave relatively comfortable lives in the United States of America to travel back to the troubled East and tragic pasts.” Paperback Pickings, The Telegraph
