Without love, there is no reason for us to live. Without love there is no purpose for us to go on. Our love of God and love of neighbor are the greatest of all, no other. Let us pray, reflect and ask ourselves: Do I love the Lord above all things? How do I manifest and express my love of God? Have I shown the love of God with my neighbor?

Bioethics, Law, and Human Life Issues: A Catholic Perspective on Marriage, Family, Contraception, Abortion, Reproductive Technology, and Death and Dying draws on the Magisterial teaching of the Catholic Church to outline a Catholic response to a host of controversial issues related to human life. Scarnecchia lays out a Catholic moral theology based on the writings of Pope John Paul II and Thomas Aquinas, and he then applies those Christian moral principles to today's most contentious ethical issues, including reproductive technology, embryo adoption, contraception, abortion, family and same-sex marriage, and euthanasia and assisted suicide. This review of Catholic moral principles brings together an in-depth consideration of the central human life issues of our day with abundant reference to the Church's social teaching and to contrasting positions of today's leading ethicists.

A RECOMMENDED SUMMER READ BY THE NEW YORK TIMES, USA TODAY, TIME, AND NEWSWEEK Longtime Jeopardy! host and television icon Alex Trebek reflects on his life and career. Since debuting as the host of Jeopardy! in 1984, Alex Trebek has been something like a family member to millions of television viewers, bringing entertainment and education into their homes five nights a week. Last year, he made the stunning announcement that he had been diagnosed with stage four pancreatic cancer. What followed was an incredible outpouring of love and kindness. Social media was flooded with messages of support, and the Jeopardy! studio received boxes of cards and letters offering guidance, encouragement, and prayers. For over three decades, Trebek had resisted countless appeals to write a book about his life. Yet he was moved so much by all the goodwill, he felt compelled to finally share his story. "I want people to know a little more about the person they have been cheering on for the past year," he writes in *The Answer Is...: Reflections on My Life*. The book combines illuminating personal anecdotes with Trebek's thoughts on a range of topics, including marriage, parenthood, education, success, spirituality, and philanthropy. Trebek also addresses the questions he gets asked most often by Jeopardy! fans, such as what prompted him to shave his signature mustache, his insights on legendary players like Ken Jennings and James Holzhauer, and his opinion of Will Ferrell's Saturday Night Live impersonation. The book uses a novel structure inspired by Jeopardy!, with each chapter title in the form of a question, and features dozens of never-before-seen photos that candidly capture Trebek over the years. This wise, charming, and inspiring book is further evidence why Trebek has long been considered one of the most beloved and respected figures in entertainment.

Reflections on Life's Challenges For many of us, life is a tough and lonely road to journey on. At times, we seem to be struggling for a sense of direction and find it extremely difficult to decide on what path to take on the road to personal happiness and success. The things that are happening in our daily lives seem to be overwhelming us to the point that sometimes we do not know what to do, who to turn to or where to run to, so as to solve our challenges. Our goal is of course personal happiness, and emotional and physical survival, which at times seems to be always just over the horizon. There are many successes and challenges taking place in our lives, which work to affect us in a major fashion, whether it is in a positive or negative way. What this book attempts to do is to reflect on some of these issues and put them in context for you the reader. In doing so, my sincere desire is for you to analyze what is happening in your life and help develop the aptitude to live the life that God has created you to live. Laurence Carter

The United States bishops' document *Co-Workers in the Vineyard of the Lord* is a vital resource for the ongoing development of lay ecclesial ministry. Building upon *Co-Workers* and affirming the recent renewal of the laity and the flowering of lay ministries, *Reflections on Renewal* contributes to efforts to reshape ministerial language and practices in the church today. It explores the theological and pastoral foundations of ministry, including how all ministry is rooted in the sacraments of initiation, and suggests ways of refining or redefining our understandings of lay ecclesial and ordained ministries so that we as church can respond more fully to the call of God in our lives and world. At the same time, the book

recognizes that lay ministry developed organically as the work of the Spirit and is, foremost, a cause for rejoicing. This collection of essays is grounded in Fordham University's commitment to the church and its mission in the world. It honors the thousands of laypeople who have answered a call to serve the church in ministry. Donna Eschenauer is the director of religious education and the catechumenate at the Cathedral Parish of St. Agnes in Rockville Centre, New York. She received her PhD from the Fordham University Graduate School of Religion and Religious Education. Her recent publication *A Second Look at the Directory for Masses with Children* appeared as a featured article for *Pray Tell*, the blog of Liturgical Press and Saint John's School of Theology. Her book on the Triduum is forthcoming. Harold Daly Horell is an assistant professor of religious education at the Fordham University Graduate School of Religion and Religious Education. He received his PhD from the Boston College Institute of Religion Education and Pastoral Ministry. His publications include *Human Sexuality in the Catholic Tradition* (Rowman and Littlefield, 2007), edited with Kieran Scott, and *Horizons and Hopes: The Future of Religious Education* (Paulist Press, 2003), edited with Thomas H.
