City Living In The Endless City

The companion of Phaidon's popular *The Endless City*, *Living in the Endless City* will add the cities of Mumbai, Sao Paulo and Istanbul to the six cities of the first volume with the same mix of compelling photographs, in-depth and beautifully presented data, and smart writing by global thinkers. Each city is explored in a series of essays that address vital themes, from security to climate change, looking closely at the problems that face contemporary cities and examining a variety of solutions.
