The Loma Prieta earthquake struck the San Francisco area on October 17, 1989, causing 63 deaths and \$10 billion worth of damage. This book reviews existing research on the Loma Prieta quake and draws from it practical lessons that could be applied to other earthquake-prone areas of the country. The volume contains seven keynote papers presented at a symposium on the earthquake and includes an overview written by the committee offering recommendations to improve seismic safety and earthquake awareness in parts of the country susceptible to earthquakes.

Test-taking strategies and content area reviews for successfully passing California's Reading Instruction Competence Assessment (RICA). Thousands of students have used previous editions of James J. Zarrillo's Ready for RICA to successfully prepare for the RICA. Now the new edition continues to provide test-taking strategies and helpful reviews of all 15 content areas and includes five significant new components: 1) Learning Outcomes in each chapter help readers focus on what they should accomplish by studying that chapter; 2) Chapter Summaries offer Test Taking Tips that re-state essential information and highlight key instructional strategies; 3) a new chapter, Ten Days to RICA, guides readers in what they should study during the last 10 days before they take the test; 4) 13 videos of the author offer insight on the most important information and instructional strategies; and 5) a new Glossary includes a dictionary of 210 reading-related words and phrases. This is the essential guide for all California Multiple Teaching Credential candidates required to take the RICA.
