intense and controlling. And he captivated me from the very start. He unleashed something inside of me like no other. His bad rep and troubled past drew me to him like gasoline feeding a flame. With just one taste, I felt the danger in him, the uncontrollable power that left me breathless. The passion consumed me. Fast and hard. Temptation couldn't guard my heart. I should have known a man of such raw and wild desires came with competition. Revealed by You (Torn #2)
Blurb: The sharp edge of love... Brett MacLean was possessive. Even more since I became his. He was my desire...my ultimate pleasure...he was mine. As each day passed, he revealed a part of himself that had lain dormant. A broken childhood. A troubled man. One I was determined to help. After months together, I thought I knew him. But soon

realized I was wrong. His dark secrets were only the beginning. The past was more disturbing than I ever could have fathomed. His deep seeded need for me came with a price that could have consequences. I needed him just as much. Because of this, we would be tested. My greatest fear was that it would take us beyond the limits of our love.

Perfected by You (Torn #3) Blurb: An all-consuming need... Evvie Neal was my addiction. The love I felt for her controlled me and it brought me to my knees. She was my one. My only. Destroyed as a boy, healed as a man, she was my saving grace. The first person who knew the real me. Because of her, I became stronger. Whole. A true warrior in my own personal Hell. As time went on, demons from my past haunted me, threatening to ruin what I had worked so hard to

become. Strong. The ultimate sacrifice was giving up a piece of myself to be perfect. For her.

In a world where Thinkers control the population and Rules are not meant to be broken, fifteen-year-old Violet Schoenfeld must make a choice to control or be controlled after learning truths about her "dead" sister and "missing" father.

She's older, beautiful, and perfect on her knees...Every time my best friend invites me over, I can't resist. Because then I get to see her. Lynne is a walking wet dream. Curves, long legs, and a smile that would bring the most dominating man to his knees. Even though she's much older than I am, there's something about her that I crave. Her innocence, her strength

but most of all, her submission. The only problem is, she's my best friend's mom.

I fought my way back, and now I'm possessed. I've healed the wounds that kept me trapped. I'm done fighting it. I'm hers. Completely. I just don't know if she feels the same. What if the empire we've been building crumbles along with our love?

that brilliantly blends psychological suspense and supernatural horror, reminiscent of Stephen King's *The Shining*, Shirley Jackson's *The Haunting of Hill House*, and William Peter Blatty's *The Exorcist*. The lives of the Barretts, a normal suburban New England family, are torn apart when fourteen-year-old Marjorie begins to display signs of acute schizophrenia. To her parents' despair, the doctors are unable to stop Marjorie's descent into madness. As their stable home devolves into a house of horrors, they reluctantly turn to a local Catholic priest for help. Father Wanderly suggests an exorcism; he believes the vulnerable teenager is the victim of demonic possession. He also contacts a production company that is eager to document the Barretts' plight. With John, Marjorie's father, out of work for more than

a year and the medical bills looming, the family agrees to be filmed, and soon find themselves the unwitting stars of *The Possession*, a hit reality television show. When events in the Barrett household explode in tragedy, the show and the shocking incidents it captures become the stuff of urban legend. Fifteen years later, a bestselling writer interviews Marjorie's younger sister, Merry. As she recalls those long ago events that took place when she was just eight years old, long-buried secrets and painful memories that clash with what was broadcast on television begin to surface—and a mind-bending tale of psychological horror is unleashed, raising vexing questions about memory and reality, science and religion, and the very nature of evil.

This is the first English translation of the 'Chronicle of Prussia', which was written by Nicolaus von Jeroschin, in middle German verse, during the period from 1330 to 1341. It is a history of the Teutonic Knights, encompassing the period between the foundation of the order, in 1190, and 1331. The translator's introduction sets the work in its historical and cultural context. The text was written at the instigation of the Grand Master of the Teutonic Order, to make an account of the ethos and history of the order's conquest of Prussia available 'to all German people'. Its purpose was to remind the order's knight brothers and its supporters of its origins and past achievements, but above all it was intended to establish the legitimacy of Prussia as a locus for crusades, setting the scene for the order's 'golden age' in the second half of the

fourteenth century. The chronicle's content is divided into three sections: it opens with a description of the founding of the order in Acre. There follows a discourse on the nature of spiritual and earthly warfare, which echoes the ideology of crusading warfare first articulated by Bernhard of Clairvaux in his treatise *De laude novae militiae*. The final, longest, section recounts the wars of the Teutonic Knights against the Prussians and Lithuanians from 1230 until the narrative breaks off abruptly in 1331. The chronicle is the main historical source document for the period it covers and was widely disseminated during the fourteenth and fifteenth centuries. It is also an engaging and lively account of warfare and colonisation on the eastern frontier of Latin Christianity.
