I was recently lucky enough to see Professor Carol Dweck speak - for those of you not familiar with Carol Dweck, she is a world-renowned psychologist, who completely changed the way we think about learning via her work on fixed and growth mindsets. The visual below illustrates really simply what we mean by a fixed and growth mindset.

Developing a growth mindset with Professor Carol Dweck
Carol Dweck studies human motivation. She spends her days diving into why people succeed (or don't) and what's within our control to foster success. Her theory of the two mindsets and the difference they make in outcomes is incredibly powerful.

Carol Dweck: A Summary of The Two Mindsets
Carol Dweck's book is grounded in solid psychology and insightful research. This book comes as a challenge which will leave you wanting to develop the growth mindset though you might have the typical British criticism to anything like this. Even Bill Gates has got this book down in his top five of 2015.
