Providence and the Invention of the United States, 1607 ...

Making sense of previously diffuse debates on manifest destiny, millenarianism, and American mission, Providence and the Invention of the United States, 1607-1876, explains the origins and development of the idea that God has a special plan for America. This conviction supplied the United States with a powerful sense of national purpose, but it also prevented Americans from clearly understanding events and people that could not easily be fitted into the providential scheme.
