Are you looking for a motivating way to combine problem solving, visual discrimination, and language? Word Beggles is just what you need. A word boggler is a puzzle, a brain teaser, and a lesson in language, all rolled into one. These clever visual puzzles use words and phrases to build flexible thinking and word literacy. Each word boggler is a word or phrase that has been written so that its meaning is conveyed via the position, number, or size of the words and letters. Some of the puzzles are words while some are familiar idioms and clichés. Thus, this book brings an opportunity to develop vocabulary and knowledge of often-used phrases in the form of motivating brainteasers. Each page features six of these visual puzzles. Students analyze the way the words are written (size, position, and direction) to solve each boggler and match it with its definition. A way to further reinforce the understanding of each phrase is to have students use the
