Combines high-quality reproductions of thousands of Kahlo's photographs collected throughout her life and recently rediscovered in her family home storerooms, in a volume that includes images by such leading photographers as Man Ray and Edward Weston as well as photos by Kahlo herself.

In 1960s New York, fifth-grader Ruthie, a Cuban-Jewish immigrant, must rely on books, art, her family, and friends in her multicultural neighborhood when an accident puts her in a body cast.

The riveting story of how three years spent in the United States transformed Frida Kahlo into the artist we know today "[An] insightful debut....Featuring meticulous research and elegant turns of phrase, Stahr's engrossing account provides scholarly though accessible analysis for both feminists and art lovers." —Publisher's Weekly Mexican artist Frida Kahlo adored adventure. In November, 1930, she was thrilled to realize her dream of traveling to the United States to live in San Francisco, Detroit, and New York. Still, leaving her family and her country for the first time was monumental. Only twenty-three and newly married to the already world-famous forty-three-year-old Diego Rivera, she was at a crossroads in her life and this new place, one filled with magnificent beauty, horrific poverty, racial tension, anti-Semitism, ethnic diversity, bland Midwestern food, and a thriving music scene, pushed Frida in unexpected directions. Shifts in her style of painting began to appear, cracks in her marriage widened, and tragedy struck, twice while she was living in Detroit. *Frida in America* is the first in-depth biography of these formative years spent in Gringolandia, a place Frida couldn't always understand. But it's precisely her feelings of being a stranger in a strange land that fueled her creative passions and an even stronger sense of Mexican identity. With vivid detail, *Frida in America* recreates the pivotal journey that made Senora Rivera the world famous Frida Kahlo.

The debut poetry collection from Grammy-nominated recording artist and slam poet Tarriona "Tank" Ball about infatuation, love, and heartbreak. The real-life story of a relationship in the author's past told in verse and short prose pieces. Relatable and honest, with Tank's signature mix of whimsy and realness, *Vulnerable AF* is about the difference between love and infatuation, the danger and confusion of losing yourself in the idea of someone else, and coming out on the other side of heartbreak with your sense of self-worth—and your sense of humor—stronger for it.

"Originally published in 2013 Albin Michel" -- Colophon.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, *The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's *Turtles All the Way Down*. "Move over, John Green; Zentner is coming for you." —The New York Public Library "Will fill the

infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*.” —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. “A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking.” —PasteMagazine.com “A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it.” —Mashable.com “I adored all three of these characters and the way they talked to and loved one another.”—New York Times

In *Song of Herself*, psychiatrist and Kahlo expert Salomon Grimberg introduces and contextualizes a deeply introspective interview that Kahlo gave toward the end of her life to her friend the psychologist Olga Campos. The interview was intended to appear in a book on the creative process of artistic individuals, but it was never published. Kahlo comments candidly on her life, her loves, and her painting, and expresses her attitudes toward her body, politics, friendship, sexuality, and death, among other personal concerns. The most startling autobiographical text known on this singular woman, Kahlo's interview is accompanied by Campos's warm reflections on their relationship, a medical history of Kahlo gathered by Dr. Henriette Begun, and a detailed psychological assessment of the artist by Dr. James Bridger Harris.

This is a book for cinephiles, pure and simple. Author and filmmaker, Jim Piper, shares his vast knowledge of film and analyzes the most striking components of the best movies ever made. From directing to cinematography, from editing and music to symbolism and plot development, *The Film Appreciation Book* covers hundreds of the greatest works in cinema, combining history, technical knowledge, and the art of enjoyment to explain why some movies have become the most treasured and entertaining works ever available to the public, and why these movies continue to amaze viewers after decades of notoriety. Read about such classic cinematic masterpieces as *Citizen Kane*, *Gandhi*, *Midnight Cowboy*, *Easy Rider*, *True Grit*, *Gone With the Wind*, and *The Wizard of Oz*, as well as more recent accomplishments in feature films, such as *Requiem for a Dream*, *Munich*, *The King's Speech*, and *The Hurt Locker*. Piper breaks down his analysis for you and points out aspects of production that movie-lovers (even the devoted ones) would never recognize on their own. This book will endlessly fascinate, and by the time you get to the last chapter, you're ready to start all over again. In-depth analysis and thoughtful and wide-ranging film choices from every period of cinema history will ensure that you never tire of this reading companion to film. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

The definitive monograph on the pioneering photographer Marcel Sternberger, whose psychological portraits have defined the way we see the icons of recent history. Photographer Marcel Sternberger pioneered the technique of the "psychological portrait," and redefined the boundaries of portrait iconography in the twentieth century. Combining an interest in contemporary art and science with the desire to break free from the constraints of conventional portraiture, Sternberger's pictures reveal as much about their author and their time as they do about their subjects. He photographed many of the most influential figures in art, science, and politics, ranging from Franklin Roosevelt and Albert Einstein to Frida Kahlo and George Bernard Shaw. Engaging his subjects—encouraging conversation, play, and gesture during photography—he elicited expressions of their characters that transformed his portraits into living works of art, and defined the public perception of his subjects' personas. With an introduction describing Sternberger's remarkable career and hundreds of unseen photographs, sketches, notes, and contact sheets, this is the first book to celebrate the work of one of the twentieth century's most important image-makers.
