Sing Me High The Walking Roots Band is excited to serve as musical hosts for the Sing Me High Music Festival, which takes its name from a Walking Roots Band song written while members of the band bicycled through the rolling hills of upstate New York on their way to Michigan. The lyrics are ostensibly about a love for the Shenandoah Valley, but perhaps speak even more to music's power to carry us through the ups and downs of life as we live and sing praise to God wherever we are.

David Housewright ' s Edgar Award-winning Holland Taylor series returns with a case of murder resulting from tragic, twisted drama in an extremely wealthy family in Darkness. Sing Me a Song. Holland Taylor is a PI who does simple background checks and other mostly unchallenging cases. Still wounded by the long-ago death of his wife and daughter, and newly mourning a recently failed relationship, Taylor doesn ' t have much interest in more challenging work. But almost by accident, he finds himself in the middle of the crime of the century. Eleanor Barrington, the doyenne of a socially prominent family of great wealth, has been arrested for the murder of Emily Denys, her son ' s fiancée. Barrington made no secret of her disdain for the victim, convinced that she was trying to take advantage of her son and her family. Taylor had been brought in to do a full background check on Emily, only to discover that both her name and her background were fabricated. Before he could learn more, she was murdered—shot in the head outside her apartment. Barrington had been overheard threatening to kill her son ' s fiancé and an eyewitness claims to have seen her kill Emily. But that ' s not the worst of it. Barrington ' s own son has even worse accusations to make against her. Caught in the dark tangle of a twisted family and haunted by his own past, Taylor finds that the truth is both elusive and dangerous.

Texas, the 1930s—the years of the Great Depression. It was the Texas of great men: Dobie, Bedichek, Webb, the young Américo Paredes. And it was the Texas of May McCord and "Cocky" Thompson, the Reverend I. B. Loud, the Cajun Marcelle Comeaux, the black man they called "Grey Ghost," and all the other extraordinary "ordinary" people whom William A. Owens met in his travels. "Up and down and sideways" across Texas, Owens traveled. His goal: to learn for himself what the diverse peoples of the state "believed in, yearned for, laughed at, fought over, as revealed in story and song." Tell me a story, sing me a song brings together both the songs he gathered—and Owens' warm reminiscences of his travels in the Texas of the Thirties and early Forties.

"When I read her manuscript for the first time, I was unprepared for the concrete images: the sap from a tapped maple, the houses and butterflies and rooms she shows us. I didn't expect mature observances from someone so young. Robyn is engaged in the world through these poems. In the clever parody of Poe, in her imagined banter at a men's shelter, and other narrative poems, we find her examining, critiquing, exploring the world, the people in it, and her relationship to it. We find her taking on characters in persona poems where she molds her voice into those of husbands, wives, laborers, and vagabonds. She resists the common urge of young writers to shut out the world and look only inward for voice." Barbara DeCesare Poet and Writer author Jigsaw EyeSore " often by the time our child reaches her teen years, that door is closed to us and we have very limited access to our child's view of the world. Robyn's writings give us a portal into the mind of a teen confronted with life and her views of the ever-widening world around her." Jacki Edens
