Although there is a Teach Yourself Hausa course, it has not been updated in many years. It is grammar-heavy (which is not necessarily a bad thing), but there is not much to help you with actually hearing and speaking the language, and there is no audio or other help with dialogue. I would recommend this course only in conjunction with other courses like Byki or FSI. Other Resources to Learn Hausa ww.lrc.columbia.edu/ha/ha1000/
