In his #1 best-seller *The Case for Christ*, legally trained investigative reporter Lee Strobel examined the claims of Christ, reaching the hard-won verdict that Jesus is God's unique son. But despite the compelling historical evidence that Strobel presented, many people grapple with serious concerns about faith in God. As in a court of law, they want to shout, "Objection!" They say, "If God is love, then what about all the suffering in our world?" Or, "If Jesus is the door to heaven, then what about the millions who have never heard of him?" Or, "If God cares for everyone, then why does he eternally torture some in hell?" In *The Case for Faith*, Strobel turns his tenacious investigative skills to the most persistent emotional objections to belief--the eight "heart" barriers to faith. *The Case for Faith* is for those who may be feeling attracted to Jesus but who are faced with formidable intellectual barriers standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in discussing Christianity with even their most skeptical friends.

The strong public response to *The Case for Christ*--which hit #1 on the best-seller list and sold more than 600,000 copies in its first 18 months--precipitated an avalanche of requests for a version of the book for teenagers. Many parents who were radically impacted by Lee Strobel's spiritual journey from atheism to Christianity wanted a student-friendly edition to help their teenagers find Christ or deepen their faith. *The Case for Christ--Student Edition* is the response to this need: a highly readable, thoroughly engaging, and spiritually challenging version designed both for teenagers who are Christians and those seeking the truth about Jesus. This is not a watered-down version of the original book, but an entirely fresh approach

Strobel partnered with Jane Vogel, a writer highly regarded for her ability to communicate with students, to customize the content of his book for a post-modern mindset. They've redefined courage in evangelism and moved it away from confronting someone about your faith to letting someone get close enough to you to see why you need Jesus' salvation. This creative and fast-paced book follows Strobel, an investigative reporter, on email interviews as he unearths convincing evidence that faith in Jesus Christ of Nazareth is not based on wishful thinking or fabricated legends, but on solid historical facts.
