The Crisis of Criticism is a collection of brilliantly argued, provocative essays that address the problematic nature of the critic's authority and responsibilities. In it, today's leading critics, curators, and artists address the questions at the heart of criticism. Do critics grant cultural permission or is their work merely descriptive?

It turns out that, while everyone seems to agree that there is a "crisis in criticism," no one agrees what that crisis is, or what it means. Take Thomas McEvilley's essay in Critical Mess . McEvilley declares the problem for criticism today is that "the lingering dominance of the issue of quality and of the value judgment seems to outsiders to render our discourse elitist and irrelevant."

Crisis is the UK national charity for homeless people. The charity offers year-round education, employment, housing and well-being services from centres in London, Newcastle, Oxford, Edinburgh and Merseyside, called Crisis Skylight Centres.

~~Crisis (charity) - Wikipedia~~

The more frequent financial crises since the 1970s – and the 2008 crisis in particular – have had an impact on the work of the Fund, which has been forced to move beyond essentially national interventions to a greater focus on the global economy, and from scanning the horizon for potential crises to dealing with them in order to avoid regional or global contagion.
