seem to obvious. And while the questions in the book do seem simple enough, the answers themselves are not.

The Five Most Important Questions | TheAmbitionista

5 min read. One of the most important lessons I've learned from reading books, interviewing smart people, and having conversations with my mentors is that questions are more important than answers. But that goes against everything you learn in school where you're rewarded for the quality of your answers.. However, that's not what you should judge a person on.
