The Gender Game Series by Bella Forrest - Goodreads

The Gender Game is book one in a brand new series by Bella Forrest. This book was generously provided to me in exchange for an honest review by NetGalley, NightLight Press, and by Bella Forrest. I have to give so much credit to Bella Forrest for such a big change from her Shade of Vampire series.

The Gender GameBy Bella Forrest

The conclusion to Violet and Viggo's journey and to the Gender game series.

The conclusion to Violet and Viggo's journey and to the Gender game series.

WINNER OF THE UK BLACK PRIDE LITERARY PRIZE FOR NON-FICTION DIVA AWARDS 2017* *AS SEEN ON TRANSFORMATION STREET 'Opens minds, breaks down myths and vaporises prejudice - I loved it!' Rebecca Root, star of Boy Meets Girl 'Funny, thoughtful and honest' Stylist 'It's a boy!' or 'It's a girl!' are the first words almost all of us hear when we enter the world. Before our names, before we have likes and dislikes - before we, or anyone else, has any idea who we are. And two years ago, as Juno Dawson went to tell her mother she was (and actually, always had been) a woman, she started to realise just how wrong we've been getting it. Gender isn't just screwing over trans people, it's messing with everyone. From little girls who think they can't be doctors to teenagers who come to expect street harassment. From exclusionist feminists to 'alt-right' young men. From men who can't cry to the women who think they shouldn't. As her body gets in line with her mind, Juno tells not only her own story, but the story of everyone who is shaped by society's expectations of gender - and what we can do about it. Featuring insights from well-known gender, feminist and trans activists including Rebecca Root, Laura Bates, Gemma Cairney, Anthony Anaxagorou, Hannah Witton, Alaska Thunderfuck and many more, The Gender Games is a frank, witty and powerful manifesto for a world in which everyone can truly be themselves. The Gender Games has been optioned by SunnyMarch Productions to be turned into an original television series, written by Rose Lewenstein.

The pulse-pounding second book in The Gender Game series. Gliding over the treacherous Green in a shaky aircraft that she has no idea how to land, Violet Bates is still in shock. The harrowing events of the previous night play over in her mind as she asks herself question after question. Why did Lee Desmond Bertrand behave the way he did? What is the truth about the mysterious silver egg stowed beneath her seat? What happened to Viggo and where is her brother? Is either of them still alive? When Violet manages to reach the toxic ground alive, she has landed in a world of unimaginable danger. She has barely time to catch her breath before she is sucked into a perilous journey at breakneck speed - to uncover secrets guarded for centuries and find the only two people that matter. **BUY NOW**

Continue Violet and Viggo's journey in the EXPLOSIVE third book of the bestselling The Gender Game series.

George R.R. Martin's acclaimed seven-book fantasy series A Song of Ice and Fire is unique for its strong and multi-faceted female protagonists, from teen queen Daenerys, scheming Queen Cersei, child avenger Arya, knight Brienne, Red Witch Melisandre, and many more. The Game of Thrones universe challenges, exploits, yet also changes how we think of women and gender, not only in fantasy, but in Western culture in general. Divided into three sections addressing questions of adaptation from novel to television, female characters, and politics and female audience engagement within the GoT universe, the interdisciplinary and international lineup of contributors analyze gender in relation to female characters and topics such as genre, sex, violence, adaptation, as well as fan reviews. The genre of fantasy was once considered a primarily male territory with male heroes. Women of Ice and Fire shows how the GoT universe challenges, exploits, and reimagines gender and why it holds strong appeal to female readers, audiences, and online participants.
