Totally Frank Summary Totally Frank: The Autobiography of Frank Lampard by Frank Lampard Chelsea and England footballer, Frank Lampard charts his life story from childhood to young West Ham apprentice to multi-millionaire world footballing celebrity and lynchpin of the national team.

Chelsea and England footballer Frank Lampard charts his life story from childhood to young West Ham apprentice to multi-millionaire world footballing celebrity and lynchpin of the national team. In his book, Lampard opens up on his early years, how he dealt with the fame and fortune that has come his way since becoming a key member of the England side, his frank opinions on former England boss Sven-Goran Eriksson and his manager at Chelsea Jose Mourinho, fascinating insights into Roman Abramovich and revealing tales on his current team-mates. He reveals both the privileges and the pressures of being one of the 'golden generation' of England players. He gives a fascinating inside account of World Cup 2006 in Germany, and describes the disappointment of not fulfilling the dream of bringing the biggest prize in football back to England.

Chelsea and England footballer Frank Lampard charts his life story from childhood to young West Ham apprentice to multi-millionaire world footballing celebrity and lynchpin of the national team. Includes a full account of the 2005/06 season and the 2006 World Cup finals in Germany.

Recounts the life and career of the inventive and controversial rock musician, and includes information on his philosophies on art, his opinions on the music industry, and his thoughts on raising children.

Steven Gerrard is a hero to millions, not only as the inspirational captain of Liverpool FC, but as a key member of the England team. Here, for the first time, he tells the story of his lifelong obsession with football, in an honest and revealing book which captures the extraordinary camaraderie, the soul-destroying tensions and the high-octane thrills of the modern game as never before. Born in the Liverpool suburb of Huyton in 1980, Steven first joined Liverpool as a YTS trainee and played his first game for the first team aged just 18. His career has gone from strength to strength ever since and he is now the team's captain and its lynchpin. Liverpool's incredible comeback in the Champions' League final in Istanbul in May 2005,

recovering from a 3-goal deficit against AC Milan to win on penalties, is testament to the amazing power Gerrard has over his team. His presence on the pitch is a force to be reckoned with and places him amongst the very first rank of players in the world. A relatively private figure, Steven has rarely spoken out in public. Now, his legions of fans will be allowed an intimate glimpse of what makes their hero tick. He speaks for the first time about the torturous will-he-won't-he Chelsea rumours and his undying passion for Liverpool. We experience first-hand the highs of winning in Istanbul and elsewhere, as well as the occasional lows of being parted from his much-loved family and friends. And of course, the book contains a full blow-by-blow account of England's world cup campaign in Germany 2006. Steven Gerrard's book is the definitive football autobiography. Like its subject, it's honest, passionate and exhilarating. If Steven Gerrard isn't your hero yet, by the time you've read this he will be...

The story of one of the most recognisable and successful players in world football. Didier Drogba is renowned for his heading ability, sharp shooting and sheer strength. He has played for his native Ivory Coast and for clubs in France, China and Turkey, but it is as a Chelsea striker that he is best known. His feats with Chelsea have made him a cult hero among supporters. In Didier Drogba's honest and revealing autobiography he will talk about life as an immigrant in Paris, the importance of his education and how finding success later than most professional footballers has kept him grounded. In 2012 Didier was voted Chelsea's greatest ever player. He talks from a privileged behind-the-scenes position about tactics and how he felt mentally and physically as well as anecdotes from the dressing room. Didier provides unique insight into important and controversial matches from the first trophy he won with them in 2005 to the Premier League title a decade later; as well as what persuaded him to stay when he was at his lowest ebb. Away from football Drogba has been widely applauded for his involvement in trying to broker peace in the Ivorian civil war - he is a UN Goodwill Ambassador and does a huge amount of work with the Didier Drogba Foundation - Time magazine named him one of the world's 100 most influential people. Go behind the scenes at Stamford Bridge and find out about life on and off the field for this humble Chelsea hero.

Frank Barlow's magisterial biography, first published in 1970 and now reissued with new material, rescues Edward the Confessor from contemporary myth and subsequent bogus scholarship. Disentangling verifiable fact from saintly legend, he vividly re-creates the final years of the Anglo-Danish monarchy and examines England before the Norman Conquest with deep insight and great historical understanding. "Deploying all the resources of formidable scholarship, [Barlow] has recovered the real Edward." — Spectator

The classic text of the diary Anne Frank kept during the two years she and her family hid from the Nazis in an Amsterdam attic is a powerful reminder of the horrors of war and an eloquent testament to the human spirit.

Exploring the highs and lows of an esteemed career in professional boxing, Frank's autobiography is truly enthralling and packed with wonderful insight and anecdotes about himself and the who's who of the boxing fraternity. But this is a story with another dimension - an identity kept secret for decades. With honesty and integrity, this is the story of how Frank Maloney overcame his inner turmoil to stop living as Frank and become Kellie. Insightful and astute, Kellie talks openly about the years of anguish and torment, recounting extracts from her diary and explaining in unflinching detail the emotional rollercoaster she endured over the years, from childhood through to telling loved ones the truth. With humour and humility this book takes the reader on a journey through the transgender process - the physicality and the emotion - and celebrates the life of an incredible individual.

There has never been an artist quite like Chris Sievey or his 'fantastic' comedic alter ego, Frank Sidebottom. Whether pushing for chart action while fronting his former band The Freshies or allowing the bombastic Sidebottom to wreak anarchy and chaos on television, radio or with the Oh Blimey Big Band, Sievey's mischievous muse seemed to obey no boundaries. Yet it was only after Chris's untimely demise in 2010 that the extent of his influence became fully apparent. The emergence of Jon Ronson's film, "Frank", Steve Sullivan's exhaustive documentary "Being Frank: The Chris Sievey Story" and the bizarre erection of the Frank Sidebottom statue in his native Timperley last October -- before 2,000 devotees -- all combined to make this the most extraordinary stories of recent decades. Yet Chris found difficulty in being Frank. The people whose careers he helped begin or inspire: Chris Evans, Mark Radcliffe, Caroline Aherne, Steve Coogan, Jon Ronson to name a few -- all went on to achieve a degree of fame and fortune that Chris never managed. That said, Frank was so successful, compared to his other projects, that Chris often seemed estranged from his own comic creation. In this unorthodox biography, legendary journalist Mick Middlemas draws on his thirty year friendship with Sievey to gain further insight into this most charismatic of artists. Family members, fellow musicians, fans and acquaintances help trace Chris's career from Timperley to Hollywood.

Frankie and his team love playing football. There's always time for a game. And now that they have their magical football they're playing against teams they never imagined! This time the magic football takes them to Australia - what adventures will they find in the land Down Under?
