Very good information that will force you to stay on track if you have big dreams for your business. I highly recommend it but I would 1st read his book "Get a Grip" because it puts it all in story fashion so you can follow an actual company implementing what you've learned. Makes Traction easier to understand.

Traction: Get A Grip On Your Business - Wikipedia

One of the biggest problems that slows traction for businesses is a lack of clear structure, making roles, job descriptions, expectations, and responsibilities unclear to everyone on the team. A loose structure works fine in the early stages of a start-up because you typically have a small team of people juggling multiple roles.

Traction by Gino Wickman | Audiobook | Audible.com

Traction: Get a Grip on Your Business by Gino Wickman is part book, part sales piece for the author's "Entrepreneurial Operating System". The fact that the author offers his own system and a website to provide more assistance to business owners is not necessarily a bad thing, so long as the book itself stands on its own. And I think it does.
