Wild Mercy is essential reading for anyone ready to awaken the feminine mystic within and birth her loving, creative, and untamed power into the world. "Mystical brilliance at its best." -Caroline Myss "No one can take us into the fiery and tender depths of the sacred feminine with more skill, humor, clarity, and vibrant naked honesty than Mirabai Starr." -Andrew Harvey, author of The Hope and The Return of the Mother We live in a world that has suffered the abuses of an unbalanced masculine rule for thousands of years-but the feminine is rising. "Seeds of feminine wisdom that have been quietly germinating underground are now breaking through the surface," writes Mirabai Starr. "Women everywhere are rising to the collective call to step up and repair our broken Earth. And we are activating a paradigm shift such as the world has never seen." With Wild Mercy, Mirabai shares the subversive wisdom and fierce compassion of the feminine mystic across cultural boundaries and throughout history. From saints and sages, to goddesses and archetypal energies, to contemporary teachers and seekers-you'll meet women who blazed a path that will illuminate your own. Each chapter explores a different facet of feminine mysticism through a tapestry of teachings, reflections, and stories, along with a practice for integrating the chapter's themes into your own life. As you journey through these pages, you'll explore: Taking refuge in contemplative practice with St. Teresa of Avila and the Shekinah • Longing, embodiment, and union as the heart of feminine spiritual practice with the Hindu poet Mirabai and Mary Magdalene • Your relationship with the Earth, motherhood in all its forms, and a loving call to action alongside Gaia and Ix Chel •

Here, Mirabai invites you to welcome the wisdom of women back into the collective field where it may transform the human family, heal the ravaged Earth, and awaken the divine love in our hearts.

Throughout the history of the Catholic Church, in her most troubled and turbulent times, God has raised up great saints as beacons of hope in the midst of darkness. Among these great saints, the four women Doctors of the Church stand out as models of courage, wisdom, and trust. Their example and teachings remain with us, are relevant to the challenges of our own day, and urge us on to renewal with unwavering hope. “Trust shows the way,” wrote Saint Hildegard of Bingen. These words set the courageous standard by which she, Teresa of Ávila, Catherine of Siena, and Thérèse of Lisieux lived. The phrase can be considered the watchword for the Church in every age, and especially in our own. In *Women of Hope*, Terry Polakovic introduces these amazing women and describes the troubled times in which they lived and persevered. These women remind us that God can work through anyone to bring about his purpose. They prove to us that, as Christians, we can live in confident hope, no matter the circumstances in which we find ourselves. ABOUT THE AUTHOR Terry Polakovic is cofounder of Endow (Educating on the Nature and Dignity of Women) and served as president of the organization from 2003 to 2015. Before retiring, she worked in nonprofit leadership for more than thirty years. In 2010, she received the Pro Ecclesia et Pontifice (“For the Church and the Pontiff”) award from Pope Benedict XVI. In 2011, Terry was recognized as an Outstanding Catholic Leader by the Catholic Leadership Institute. She is the author of *Life and Love: Opening Your Heart to God’s Design* (Our Sunday Visitor, 2018). She lives in Colorado with her husband, Mike.

Since the early centuries, Christians have held up the saints as models of living the Gospel of Jesus Christ. While the church officially recognizes a relatively small number of saints, the actual roster is infinitely wider. Blessed Among Us explores this eclectic “cloud of witnesses”—lay and religious, single and married, canonized and not, and even non-Christians whose faith and wisdom may illuminate our path. Brought to life in the evocative storytelling of Robert Ellsberg, they inspire the moral imagination and give witness to the myriad ways of holiness. In two stories per day for a full calendar year, Ellsberg sketches figures from biblical times to the present age and from all corners of this world—ordinary figures whose extraordinary lives point to the new age in the world to come. Blessed Among Us is drawn from Ellsberg’s acclaimed column of the same name in Give Us This Day, a monthly resource for daily prayer published by Liturgical Press.

Second book in the Seeing Jesus in the Old Testament Bible study series leads readers on a 10-week study of Job, Psalms, Proverbs, Ecclesiastes, and Song of Solomon, highlighting how the Wisdom Literature points to Christ.
