Chapter 3

The development of the beach as a popular leisure resort from the mid-19th century was the first manifestation of what is now the global tourist industry. The first seaside resorts were opened in the 18th century for the aristocracy, who began to frequent the seaside as well as the then fashionable spa towns, for recreation and health.

Resorts World Las Vegas is a hotel and casino currently under construction on the Las Vegas Strip in Winchester, Nevada, United States, planned to open in summer 2021. The property had been the site of the Stardust Resort and Casino until 2007, when Boyd Gaming demolished the resort to develop its Echelon Place project.

Resorts World Las Vegas - Wikipedia

Resort communities have evolved over the last several decades from communities comprised of an amalgamation of distinct projects and uses with no common plan and scheme of development, to forward-thinking " sustainable " communities with planned integration of uses and major amenities (referred to as " planned unit developments " or " master planned communities ").
